First edition originally published 1986
Second edition originally published 1992
8th printing 2006

The computer programs in this book are available, in FORTRAN, in several machine-readable formats. There are also versions of this book and its software available in C, Pascal, and BASIC programming languages.

To purchase diskettes in IBM PC or Apple Macintosh formats, use the order form at the back of the book or write to Cambridge University Press, 110 Midland Avenue, Port Chester, NY 10573.

Unlicensed transfer of Numerical Recipes programs from the above-mentioned IBM PC or Apple Macintosh diskettes to any other format or to any computer except a single IBM PC or Apple Macintosh or compatible for each diskette purchased, is strictly prohibited. Licenses for authorized transfers to other computers are available from Numerical Recipes Software, P.O. Box 243, Cambridge, MA 12238 (FAX 617 863-1739). Technical questions, corrections, and requests for information on other available formats should be directed to this address.

A catalogue record for this publication is available from the British Library
