## Index

- Amerindians  
 and hunting 7, 9–16  
 and pet-keeping 7–9, 12–13, 17–22
- animal abuse 34, 313, 319, 320–9  
 grief over 282–3  
 human guilt about 283–4  
 link with human abuse 169, 276  
 policy to combat 289  
 reluctance to report 288  
 responses to 277–88
- animal-assisted therapy 109, 191, 240, 269
- animal celebrations  
 birthdays 103  
 Blessing of the Animals 97–100  
 cat *mitzvah* 92–3  
 with chimpanzees 91–2  
 Christmas 101, 103–4  
 death rituals 100–2  
 dog wedding 95–7  
 horse *bar mitzvah* 93–5  
 reasons for 102–6
- animal epitaphs 27, 28–9, 30, 31, 32–3, 34–6
- animal rights 34, 173, 174–5, 179, 328–9
- animal spirits 113–14
- animal welfare 34, 78, 118, 171, 173–5, 178, 210, 289, 299–301, 303, 304, 306, 307
- animals, as psychopomps 19, 20
- anthropocentrism 315, 316, 320, 321, 323, 328
- anthropomorphism 35–6, 87 n.51, 211, 212, 313
- anthrozoology 1–2
- Anthrozoös* 1
- anxiety, moderation of by pets 130
- aquarium, for relaxation 130  
*see also* fish
- aristocracy, and pet-keeping 30, 36, 43, 45, 47, 49–56, 295
- Aquinas, Thomas 315
- Aristotle 44, 318
- Barnyard Love* 313–14, 325
- bereavement, *see* grief
- bestiality 322–3  
 in ancient civilizations 318  
 as animal assault 320–9  
 as a commodity 325–6  
 cultural differences in attitudes towards 319  
 and feminism 321  
 historical aspects of 315–20  
 involving adolescents 326–7  
 Judaeo-Christian attitudes towards 315–18  
 link with child abuse 322, 327  
 in Middle Ages 318  
 parallels with abuse of women 321–2, 323–4  
 as sexual coercion 321–2  
 typology of 324–8  
 and witchcraft 315
- ‘Big Five’ personality dimensions 144, 148, 156, 157–9
- birds, 8, 9, 18, 19, 30, 162, 281
- Blessing of the Animals 97–100
- blood pressure  
 effects of being in the presence of animals on 130–5  
 effects of interacting with animals on 135–7, 239, 241  
 effects of watching animals on 129–30  
 influence of chimpanzees on 129–31, 136  
 influence of pets on 129–30, 131–4, 135–6  
 influence of snakes on 129, 136
- burial  
 of animals 28–31, 33  
 of humans 28

- cancer, treatment of in pets 305
- cardiovascular health, *see* heart disease
- castration, *see* neutering
- cat *mitzvah* 92–3
- cats
- behaviour of 259, 260–3, 267, 269, 304
  - breed differences 260–6
  - in classical civilizations 31
  - declawing 306, 307
  - and elderly people 259, 263, 266, 269
  - elimination problems 304
  - factors affecting development of 257
  - factors affecting relationships with humans 258, 263, 266, 267
  - non-pedigree 260–2, 264–6
  - pedigree 262
  - Persian 261–2, 263, 264–6, 267
  - personality traits 148–53, 257, 258, 260–3, 266, 269
  - Siamese 260–1, 262–3, 264–6, 267
  - used in therapy 269
  - see also* pets
- children
- abuse of 279
  - influence of pets on 110, 173–4, 210
  - love of 175
- child substitutes, *see* pets, as child substitutes
- chimpanzees
- environmental enrichment for 92
  - influence on blood pressure and heart rate in humans 129–31, 136
  - living with people 91–2
- Christianity
- views on animals 42, 44, 45, 47–9
  - views on bestiality 315–18
- companion animals, *see* pets
- companionship
- and pets in Ancient Greece and Rome 31, 33, 36
  - and pets in contemporary society 191, 194, 202, 209, 210, 211, 220, 238, 239, 246, 294
- consciousness in animals 211–12, 321
- cosmetic surgery 118, 306–7
- cruelty to animals, *see* animal abuse
- death rituals 100–2
- see also* pet death
- declawing 306, 307
- dog wedding 95–7
- dogs
- aggression in 154–6
  - behaviour problems in 154–6
  - dangerous breeds 308
  - debarking 306, 307
  - English cocker spaniels 154–6
  - greyhounds 50, 52
  - as hunting partners 49–56
