Guide to Cambridge Children's Books

Cambridge Children's Books are arranged according to six developmental phases: Preparing to Read, Beginning to Read, Becoming a Reader, Towards Independence, Independent Reading, Extended Reading.

Apart from Preparing to Read, the infant phases consist of stages **A** **B** **C** which indicate three broad levels of difficulty.

- A** Stage A books contain a lower word content and simpler sentence construction
- B** Stage B books contain a medium word content level
- C** Stage C books contain the highest word content and more difficult sentence construction
