New Cambridge Bible Commentary

General editor and Old Testament editor
Ben Witherington III and **Bill T. Arnold**

Editorial Board

Bill T. Arnold
 Asbury Theological
 Seminary

James D. G. Dunn
 University of Durham

Michael V. Fox
 University of
 Wisconsin

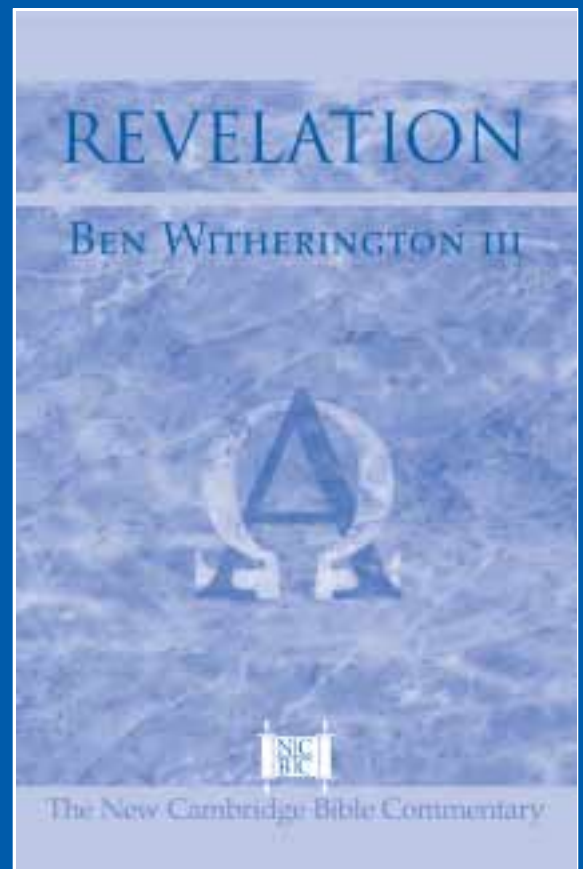

Robert P. Gordon
 University of
 Cambridge

Judith Gundry-Volf
 Yale University

Ben Witherington III
 Asbury Theological
 Seminary

- Entirely new commentaries for a new generation of students, teachers and clergy.
- A range of approaches, which present scholarly material in an accessible form.
- Aids to the reader include a Suggested Reading List, and footnotes (instead of endnotes).
- Inclusion of the entire book of the Bible under discussion, reprinted in the NRSV translation.

Replacing the original *Cambridge Bible Commentary*, the *New Cambridge Bible Commentary* elucidates the Hebrew and Christian Scriptures for a wide range of intellectually curious individuals. Commentaries in the series are therefore academically rigorous but do not assume the reader has a great deal of specialized theological knowledge or an impressive command of biblical Hebrew or Greek. The new series takes advantage of many of the rewards provided by scholarly research over the last three decades, and makes accessible and builds upon many of the advances in theory and theology produced during the last thirty years. Utilizing recent gains in rhetorical criticism, social scientific study of the scriptures, and other developing disciplines, this series provides a fresh look at biblical texts, taking advantage of the growing edges in Biblical Studies.

Readership

advanced seminary students, biblical teachers, upper undergraduate students and pastors

Market

biblical studies, theology, religious studies

Format

books in this series will be available in both paperback and hardback

Frequency

we expect to publish one to two titles per year in this series
