The 1999–2000 Elections in Russia

Their Impact and Legacy

A distinguished collection of specialists analyze the critical elections that ushered out the Boris Yeltsin era in Russia and ushered in the leadership of Vladimir Putin. These parliamentary and presidential elections are proving critical for the future of Russia and are highly enlightening to scholars and students who study electoral politics, party development, and democratization. Collectively, the expertise represented by these authors extends to all the important facets of electoral politics and party development in Russia. Contributors include Timothy J. Colton (Davis Center for Russian Studies, Harvard University); M. Steven Fish (Department of Political Science, University of California, Berkeley); Stephen E. Hanson (Department of Political Science, University of Washington); Andrei Melville (Faculty of Politology, Moscow State Institute for International Relations); Neil Munro (Center for the Study of Public Policy, University of Strathclyde); Mikhail Myagkov (Department of Political Science, University of Oregon); Sarah Oates (Department of Politics, University of Glasgow); Thomas F. Remington (Department of Political Science, Emory University); Richard Rose (Department of Government, University of Strathclyde); Richard Sakwa (Department of Politics and International Relations, University of Kent); Olga Shvetsova (Department of Political Science, Washington University); and Stephen White (Department of Politics, University of Glasgow).

Vicki L. Hesli is Professor of Political Science at the University of Iowa. Her most recent book is Medical Issues and Health Care Reform in Russia (1999).

William M. Reisinger is Professor of Political Science at the University of Iowa. He is the author of Energy and the Soviet Bloc (1992), coauthor of Can Democracy Take Root in Post-Soviet Russia? (1998), and coeditor of Constitutional Dialogues in Comparative Perspectives (1999).

The chapters in this volume were originally presented at the University of Iowa in March 2000 at a conference made possible by the Benjamin F. Shambaugh Memorial Fund, with additional funding from the university's Center for Russian, East European, and Eurasian Studies. We are grateful to the Department of Political Science at the University of Iowa and to the center for their support.
