 Sturmian state, 165–7, 175, 177, 257, 280
 super-computer, 20, 117, 292
 surface of section, 39, 67, 76–8, 109
 surface state electrons, 5, 73, 117, 127, 137, 150, 151, 153, 155–60, 164, 170, 173, 180, 182, 203, 206, 207, 210, 216, 246, 288
 symbol sequence, 34
 symbolic dynamics, 30, 60–3, 225, 252, 295
 symmetric stretch orbit, 265–7
 symmetry breaking, 97, 196, 289
 synchrotron radiation, 293
- temperature, 146, 158, 159, 280, 282
 tent map, 52–5, 204
 thermodynamics, 70
 three-body dynamics, 295
 three-body problem, 240, 294
 three-body system, 102, 241
 three-disk system, 60–3, 216, 217
 time, 4
 critical, 22, 30
 discrete, 115
 fictitious, 86, 98, 101, 161, 279
 time average, 128, 134, 144, 145
 time dependence, 203, 205
 time derivative, 65, 69, 71
 time diagram, 120
 time evolution, 20, 21, 23, 25, 27, 29, 30, 48, 49, 60, 62, 106, 130, 181, 204, 208
 time invariance, 80
 time reversal, 91, 97, 99, 146, 232, 254, 293
 time translation, 80
 Toda, M., 73, 81
 tornado, 18
 trace formula, 45, 86, 102–5, 241, 250, 263–5, 269, 284, 285
- trajectory, 229
 transcendental number, 34
 transfinite cardinal, 34
 transitivity, 45, 46
 transmission amplitude, 231
 transmission probability, 231, 232
 triple collision, 248, 254
 triple collision orbit, 266
 tunnelling, 180, 287, 289
 two-electron orbit, 250
 two-level atom, 84, 196, 197
- Ulam, S.M., 13, 19, 46
 uncertainty, 17, 22
 experimental, 17, 24
 uncertainty dimension, 59, 213
 uncertainty exponent, 59
 uncertainty fraction, 59
 uncertainty principle, 110, 124, 231
 universality, 2, 17, 29, 84, 85, 91, 96, 97, 147, 149, 285, 286
 universe, 20
 mechanical, 20, 67
 uranium ion, 279
- variation, 66, 85, 99, 198, 257
 variational calculus, 67
 variational function, 66
 variational technique, 243
 von Neumann, J., 13, 19, 46
- Wannier exponent, 295
 wave chaos, 97, 287
 wave equation, 25
 wave function, 2, 25–8, 64, 85, 86, 98, 106, 108, 132, 134, 135, 138, 140, 156–9, 167, 187, 195, 256, 261, 262
 wave guide, 145, 183
 wave manifestations, 287
 wave number, 238
 wave packet, 21
 wave phenomena, 85, 287

- wave system, 97, 112, 287
WEIZAC, 243
Wigner, E.P., 28, 91, 93–7, 100, 232,
233, 241, 272–4, 276, 277
Wigner distribution, 93, 94, 232, 233,
241, 273, 276
Wigner regime, 241, 272–4, 277
Wigner statistics, 95, 97, 100, 276
- wire, 65, 221, 222, 225, 227–31, 239
 Gaussian, 227
 mesoscopic, 217, 239
word, 23, 60–2
