Index

Some index entries give only the main references for the topic. These are indicated by the word 'main'.

abstraction, 7; Chapter 2, 9–19; 36, 143, 234–7, 251, 304
Acorus calamus, 36, 62; Chapter 4, 71–142; 178, 257
Agriculture Act 1986, 239
agrochemicals, 7, 59, 68, 70; Chapter 5, 143–56; 174–5
Agrostis stolonifera, 34, 47, 59, Chapter 4, 71–142; 169
Alisma gramineum, 141
Alisma plantago-aquatica, 38, 44, 46, 53; Chapter 4, 71–142; 178
Alnus glutinosa, 149, 228, 247
Alzette, River, 162
amphibians, 183, 187
ancient monuments, scheduled, 298
animal habitat, ecology, Chapter 7, 181–210
Apium graveolens, 257
Apium nodiflorum, 34, 37, 53; Chapter 4, 71–142; 158, 169–70
aqueducts (main), 250
aquifer, Chapter 2, 9–19; 144, 154
Archaeology Office, County, 298
archaeology, Chapter 11, 297–302
architecture of vegetation, channel and bank, 6, 7; Chapter 3, 21–70
Attert, River, 163
Avon (Dorset) River, 137
Azolla filiculoides, 192

banks, Chapter 3, 21–70; 218–21
Barrow, River, 161
Bath, 293
Benthic algae, 166–7
Berula erecta, 18, 53; Chapter 4, 71–142; 158, 160, 170, 178, 217
bird watching, Chapter 12, 303–10
Blackbird, *Turdos merula*, 207
blanket weed, 17; Chapter 4, 71–142; 158–9, 167–70, 178, 217
boats (main), 62; Chapter 12, 303–10
bridges (figs.), 266–7
Bristol, 298
buffer strips, 54–6, 150, 151, 153, 221, 224–5, 235–6, 242
Bury St Edmunds, 276
Butomus umbellatus, 36; Chapter 4, 71–142; 169, 178, 217
by-laws, 238

Calla palustris, 142
Callitriche spp., 17–18, 34, 36–8, 43–4, 46–7; Chapter 4, 71–142; 158, 162, 169–70, 175, 178, 217
Caltha palustris, Chapter 4, 71–142; 167
Cambridge, 278
car parks, 305
Carex recta, 142
Carex spp., 42–3; Chapter 4, 71–142; 169, 178, 217
Catabrosa aquatica, Chapter 4, 71–142; 169
cattle drinkers (fig.), 249
Ceratophyllum demersum, 14, 43, 45, 53; Chapter 4, 71–142; 178
chaffinch, *Fringilla coelebs gengleri*, 207
changeless change, 135–40
Chara canescens, 142
Chara hispida, 131
city island, 271, 276–8
conservation, 6; Chapter 8, 211–32
  duties/legal, 233–5
control of pollution acts, 233–4
coot, *Fulica acra*, 189
cormorant, *Phalacrocorax carbo*, 196
cover assessment, 85
cover–diversity, CoDi number, 157, 178–80
coypu, *Myocastor coypus*, 185
Crassula helmsii, 142
crayfish, *Austropotamobius leptodactylus*, *A. pallipes*, *Pacifastacus lemiusculus*, 185–6
cultural heritage, Chapters 10–12, 243-310
cutting, 59–61

dabchick, little grebe, *Tachybaptus ruficollis*, 183, 189–90
damage rating, Chapter 6, 157–80
Damasonium alisma, 1
debris dams, 57, 224
defence, 268–79, 285–7
Derby, 305
development, Chapter 8, 211–32; Chapter 12, 303–10
development, of river, Chapter 8, 211–32
dipper, *Cinclus cinclus*, 197
disease, 7–8, 212
diversion of stream, 249–50
Don, River, 167
Dorchester, 278
dragonflies, 52, 183
drainage, 7; Chapter 2, 9–20; 22–23, 25, 68–70, 182, Chapter 8, 211–32; Chapter 9, 233–42; 258, 304
dredging, 7; Chapter 3, 21–70; Chapter 4, 71–142; 171–2, Chapter 8, 211–32; Chapter 9, 232–42
drinking troughs (main), 248
Drosera anglica, Chapter 4, 71–142
Drosera rotundifolia, Chapter 4, 71–142
duck, 59; Chapter 7, 181–210; 310
duck ponds, 281–2
dunnock, *Prunella modularis*, 207
dyke management and effects, 68–70
dyke species list, Table 4.6, 130

Egeria densa, 142
Elatine hydropiper, 141
Eleocharis acicularis, Chapter 4, 71–142
Eleocharis austriaca, 141
Eleocharis palustris, Chapter 4, 71–142; 167
Elodea callitrichoides, 142
Elodea canadensis, 14, 34–9, 43, 45, 53; Chapter 4, 71–142; 178, 217, 232
Elodea nuttallii, 142
English heritage, 302
enhancement, Chapter 8, 211–32; 234; 236–9, 240–2; Chapter 12, 303–10
Enköping, 274
Enteromorpha sp., 14, 45; Chapter 4, 71–142; 167, 170, 178, 217
Environment Act, 233, 303
