Table of Contents

[More information](#)*Contents*

7. Strategic arsenals, arms control and nuclear disarmament
in the 1990s *Steve Smith* 91
- Introduction
 Trends in the development of superpower strategic
 arsenals
 Trends in arms control negotiations
 The nature of the United States and Soviet strategic
 arsenals in the mid-1990s
 Arms control regimes in the 1990s
 Conclusions
- Part 3**
- Options for strengthening the non-proliferation regime in the
1990s
- Overview *John Simpson* 109
8. Non-proliferation in 1995, or plus ça change *Lewis A.
Dunn* 111
- Introduction – a ‘surprise-free’ projection of 1995
 Old wine in old bottles
 Adaption and innovation
 Red Herrings’ or new initiatives to avoid surprises – and
 possible consequences
 Conclusions
9. Smoothing the path to 1995: amending the Nuclear Non-
Proliferation Treaty and enhancing the regime *Harald
Müller* 123
- Introduction
 Enhancing efficiency
 The prevention of defections and the attraction of new
 parties
 How likely are defections?
 How likely are new accessions?
 Towards a realistic understanding of the regime
10. Enhancing internal restraints on nuclear
proliferation *Philip Gummert* 137
- Introduction

Inside the black box

Applications

A word on public debate

Conclusions

Part 4Extending the nuclear non-proliferation regime beyond 1995:
issues and prospectsOverview *John Simpson* 153

11. The 1995 Nuclear Non-Proliferation Treaty Extension

Conference: issues and prospects *David Fischer* 155

Introduction – setting the stage for 1995

The rules of procedure and the mechanics of voting at
the 1995 Conference

The nature of any extension proposals

A 1995 Review and Amending Conference?

Preparing for the 1995 Conference

12. A world without the NPT? *Joseph Pilat* 165

Introduction

The effects of a collapse of the NPT on the Non-
Proliferation Regime

International security without the NPT

The effects on international relations of a collapse of the
NPT

The emerging suppliers and the demise of the NPT

Conclusions

13. Safeguards and technical constraints in the 1990s

Charles N. van Doren 177

Introduction

How NPT termination could affect international
safeguards

Technical constraints and denial

Conclusions

14. Nuclear non-proliferation in the 1990s: an agenda of
issues and policy choices *John Simpson* 192

Introduction

The management of nuclear armaments in the 1990s
