Aboriginal communities see Indigenous communities
acceptance see latitude of acceptance
Act–Belong–Commit campaign (Western Australia), 107, 407–27
background, 407–10
branding, 415–18
campaign development, 409, 411–21
evaluation, 422–4, 426–7
logo, 417–18
marketing mix, 418–21
objectives, 410–11, 414–15, 423–4
partnerships, 422, 424
pilot campaign, 410–11, 422–4
promotional strategies, 412
statewide campaign 2008–10, 424–6
systemic impact, 423–4
target groups, 413–14, 425–6
action see theory of reasoned action
activity see physical activity
advantage see differential advantage
advertising, 175, 356
celebrities and, 103, 109
to children, 221
codes, 241
communication objectives, 94–5, 330
company objectives and, 90–2
effectiveness, 223, 371–2
ethical issues, 199, 215
food, 221, 222
Internet use, 348–52
as marketing strategy, 5, 81
media, use of, 320–63, 412
point-of-sale, 312–13
prejudice in, 231–2
public health guidelines, 329–30
racist stereotype beliefs and, 332–3
road safety, 117–18
sexism in, 240
sponsorship and, 331, 364–5, 368, 371–2
techniques and smoking, 98, 107, 265, 295
tobacco, 226–7
to women, 223–5
word-of-mouth, 348–9
see also alcohol advertising; branding; logos
advocacy
alcohol use, 233
Avaaz.org – The World in Action, 76–7
as campaign strategy, 13–14, 81–2, 85–6, 359, 360–1
co-ordination, 74
community mobilisation, 72, 74
credibility, 73
defined, 70–3, 285, 359
environmental change (planet Earth) and, 77–86
evaluation difficulties, 71–2
food marketing and, 222
framing of issues, 80
from within, 73
humanitarian, 73–4, 77, 78
Internet use for, 76–7, 358–62
legal advocates role, 82–4
legislative change and, 13–14, 239–40, 358–61
media and, 71–2, 73, 74–7, 83, 85, 358–62
objectives, 362
persuasion in, 74
physical activity and, 72–3
advocacy (cont.)
planning, 74, 85–6
policy change and, 72, 74, 85, 358–62
professional mobilisation, 74
regulation change, 239–40
research support, 239
socio-political change, 74–7, 357, 358–62
violence and, 340–2
workplace mobilisation, 72
see also landmines under case studies
Ajzen see theory of planned behaviour
Ajzen (Fishbein and) see theory of reasoned action
alcohol advertising, 229–31, 349
codes, 232, 240, 241
effects, 240–1
industry self-regulation, 240–2
Internet use, 230–1
monitoring, 241–2
alcohol use
advocacy against, 233
binge drinking, 64, 133, 237
intervention campaigns, 206, 208, 237, 239–40
media portrayal, 229–31
moral perceptions, 145–6
policy and, 286
predictors, 133
and youth, 145–6, 276–7
see also drink driving
Alcoholic Beverages Advertising Code, 241
American Marketing Association
brand, definition, 293–6
Statement of Ethics, 203–4
antecedents, behaviour, consequences model, 150, 152–3
appeals, incentive see incentive appeals
appeals, threat see threat appeals
applied behaviour analysis see behaviour modification
arts events and health promotion, 388
arts sponsorship, 375–6
attention see exposure
attitude–behaviour segmentation (Sheth and Frazier), 255, 260–2, 263, 271
attitudes, 80, 168, 330–1
domestic violence and, 173
effect on communication, 89
measuring of, 99, 164–6, 383–7
media influence, 222–5, 330, 357
message processing and, 89, 99–100
models of change, 101–2, 125–6
sponsorship, effects on, 369, 374–5, 383–7
in theory of reasoned action, 132–3
