accuracy of URLs for external or third-party internet websites referred to in  
this publication, and does not guarantee that any content on such  
websites is, or will remain, accurate or appropriate.

Every effort has been made in preparing this book to provide accurate and up-to-date information  
which is in accord with accepted standards and practice at the time of publication. Although  
case histories are drawn from actual cases, every effort has been made to disguise the  
identities of the individuals involved. Nevertheless, the authors, editors and publishers can make  
no warranties that the information contained herein is totally free from error, not least because  
clinical standards are constantly changing through research and regulation. The authors, editors  
and publishers therefore disclaim all liability for direct or consequential damages resulting from  
the use of material contained in this book. Readers are strongly advised to pay careful attention  
to information provided by the manufacturer of any drugs or equipment that they plan to use.

The book has been printed on paper certified by the Programme for the  
Endorsement of Forest Certification (PEFC). PEFC is committed to  
sustainable forest management through third party forest certification  
of responsibly managed forests.
