Arrow Rock, Mississippi, 63
Atlas Mountains, 50
Bacillus typhosus, 152
Badulla, 47
Bahamas, 3, 141
Baker, George, 78
Balfour, Edward, 47
Balfour, T. Graham, 3, 43–7, 60; on beriberi, 77–8
Baltimore, xvii
Bangalore, 48, 122
Barbados, 29, 55; sanitary engineering in, 116; yellow fever in, 69–70, 131–2
Barbados Command, healthfulness of, 97–8
barracks, sanitary arrangements in, 114, 124–5
Bassenge, Dr., 120
Bath, 50
Bay of Bengal, 96
Belkfield, British Guiana, 70
Bellary, 48
Bengal, 53, 164; cholera in, 71; latrines in, 58; military mortality in, 20–5
beriberi, 77–9, 156
Berkeland filter, 120–1
Bermuda, 17, 45
Bethesda, xvii
Biskra, 73
Black Death, xv
bleeding, malaria treatment with, 64–5
Blue Mountains, 49
Bocaccio, 68
Bolivia, 63
Bombay Presidency, 164; military mortality in, 20–5
Böne, see Annaba

245
Bordeaux, 53
Boudin, Jean C. M. F. J., 5, 46, 47
brain, diseases of, 54–6
Brazil, 77
Bridgetown, Barbados, 55, 70, 131
British Army Medical Department, reports of, 2–4
British Guiana, 25, 43, 55, 70
British Medical Association, 115
British Navy, 135; medical reports of, 3; use of quinine in, 64
British West Indies, xvi, 2–3, 25–8, 30, 43–7; altitude and disease in, 47–50; annual relocation costs in, 196–8; anti-malarial measures in, 138–9; cause of death in, 36; cholera in, 70–6; comparative cause of death tables, 212–20; contribution to relocation costs in, 101–3; disease profiles, 93–4; distribution of troops in, 97–8; field filters in, 119–22; gastrointestinal disease in, 147–50; health of women and officers in, 98; malaria mortality in, 133; mental illness in, 154–6; military mortality in, 18, 80–103; pulmonary mortality in, 143–5; relocation cost in, 30–5; sanitary engineering in, 122–5; tables of mortality by cause of death, 172–80; trends in relocation costs in, 86–7, 91; tuberculosis in, 76, 141–3; typhoid fevers in, 150–4; yellow fever mortality in, 131
