THE JAFFEE CENTER FOR STRATEGIC STUDIES (JCSS)

The Center for Strategic Studies was established at Tel Aviv University at the end of 1977. In 1983 it was named the Jaffee Center for Strategic Studies in honor of Mr. & Mrs. Mel Jaffee. The objective of the Center is to contribute to the expansion of knowledge on strategic subjects and to promote public understanding of and pluralistic thought on matters of national and international security.

The Center relates to the concept of strategy in its broadest meaning, namely, the complex of processes involved in the identification, mobilization, and application of resources in peace and war, in order to solidify and strengthen national and international security.
