Cambridge University Press has no responsibility for the persistence or
accuracy of URLs for external or third-party internet websites referred to
in this publication and does not guarantee that any content on such
websites is, or will remain, accurate or appropriate.

The views expressed by research participants in interviews are their own
and do not necessarily represent the official stance of their organisation.
The interviewees are not associated with the final conclusions of this study.
The findings of this study thus do not necessarily reflect the views of the
individuals interviewed in the context of this study. Any proposition that is
forwarded is arrived at through a rigorous, independent academic
methodology. The findings of the book do not necessarily represent the
official stance of Barclays Capital. The International Capital Market Association's
sponsorship of this publication aims to promote research and the continuing
development of the market. ICMA did not exercise any editorial control over this
publication and as such the findings do not necessarily reflect the official stance
of the Association.
