To the student

This book is for students preparing for University of Cambridge ESOL Examinations Key English Test (KET). It contains four complete tests based on the new test format from March 2004.

What is KET?

KET is an examination for speakers of other languages studying English. It tests Reading, Writing, Listening and Speaking. The KET examination is at Cambridge Level One (Council of Europe Level A2).

How do I prepare for KET?

It is important to know what type of questions are in the KET examination. Doing the tests in this book will help you. Practise putting your answers on the sample answer sheets on pages 82–84 (you may photocopy these pages). This will help you to understand what you have to do in the real test.

**Reading:** Read some books in simple English from your library or local bookshop. Try to guess the words you don’t know before you use a dictionary to check them. Also, use an English learner’s dictionary when you study. If you live in a tourist area, there may be some signs or notices in English outside restaurants and shops or in railway stations and airports. Read these and try to understand them.

**Writing:** Write short letters or messages in English to a friend who is learning English with you or find an English-speaking pen-friend/e-friend to write to. Write about your daily life (your home, work or school and your family). If you go on holiday, write postcards in English and send them to your English-speaking friends.

**Listening:** Listen to the cassettes or CDs that come with English coursebooks so you can hear different people speaking English. Watch English-language programmes on television and listen to English on the radio if possible.

**Speaking:** Talk in English with friends who are studying with you. Ask each other questions about your daily lives, your future plans and about other towns, countries or places you have visited.

We hope this book helps you when you take the KET examination. Good luck!

CANADA GEESE

Canada Geese are large blue and white birds. When autumn arrives, they have to fly south where the weather is warmer. The winters are so cold in Canada that the birds die if they stay there.

Last spring, Bill Lishman found sixteen young Canada Geese on his farm. They had lost their parents. Bill thought, ‘These young birds won’t know what to do in the autumn.’

Bill had a small plane and he decided to teach the birds to follow him. All through the summer, he went on short trips in his plane and the young geese flew after him.

When the cold weather arrived in autumn, Bill flew to Virginia in the United States, 600 miles south of his home in Canada. The geese followed him all the way. Bill left the geese in Virginia and he returned home.

This spring, Bill was waiting for the birds to come back. They didn’t arrive, so Bill flew to Virginia to get them. He looked for them for two weeks but he couldn’t find them.

When he arrived back home, Bill found the geese waiting for him. They had found their way home without him!
