The name and subject index covers the periodicals section of the list of abbreviations, the introduction, chapters 1–15, authors in the Bibliographical Guide to writers and their works and the Guide to further reading. Page references in bold type refer to the biobibliographies. All names of works mentioned in chapters 1–15 are included under the relevant author. Titles of works and first lines are entered in italics or within quotation marks (“”) as in the text. Endnotes are referred to by n and note number e.g. 23n8. Please see also note on transliteration, p. xiv.
