Preface [ix]
Acknowledgments [xi]

I Comparative evolutionary and developmental perspectives on gorillas and orangutans

1 Hominid family values: morphological and molecular data on relations among the great apes and humans [3]
DAVID R. BEGUN
2 The life history and development of great apes in comparative perspective [43]
SUE T. PARKER
3 The frontal lobes of the great apes with a focus on the gorilla and the orangutan [70]
KATERINA SEMENDEFERI

II Cognition and tool use in gorillas and orangutans

4 Intelligent tool use in wild Sumatran orangutans [99]
ELIZABETH A. FOX, ARNOLD F. SITOMPUL, AND CAREL P. VAN SCHAIK
5 Orangutans' imitation of tool use: a cognitive interpretation [117]
ANNE E. RUSSON
6 Object manipulation and skill organization in the complex food preparation of mountain gorillas [147]
RICHARD W. BYRNE
7 Development of sensorimotor intelligence in infant gorillas: the manipulation of objects in problem-solving and exploration [160]
JUAN C. GÓMEZ
8 Tool use in captive gorillas [179]
SARAH T. BOYSEN, VALERIE A. KUHLMEIER, PETER HALLIDAY, AND YOLANDA M. HALLIDAY

- 9 A survey of tool use in zoo gorillas [188]
SUE T. PARKER, MARY KERR, HAL MARKOWITZ, AND JAY GOULD

III Communication in gorillas and orangutans

- 10 Symbolic communication with and by great apes [197]
H. LYN MILES
- 11 The development of spontaneous gestural communication in a group of zoo-living lowland gorillas [211]
JOANNE E. TANNER AND RICHARD W. BYRNE
- 12 Early sign-language acquisition: comparisons between children and gorillas [240]
JOHN B. BONVILLIAN AND FRANCINE G. P. PATTERSON
- 13 Early sign performance in a free-ranging, adult orangutan [265]
GARY L. SHAPIRO AND BIRUTÉ M. F. GALDIKAS

IV Social cognition in gorillas and orangutans

- 14 Comparative aspects of mirror self-recognition in great apes [283]
KARYL B. SWARTZ, DENA SARAUF, AND SIÂN EVANS
- 15 Deception and concealment as strategic script violation in great apes and humans [295]
ROBERT W. MITCHELL
- 16 Levels of imitation and cognitive mechanisms in orangutans [316]
JOSEPH CALL
- 17 Parental encouragement in *Gorilla* in comparative perspective: implications for social cognition and the evolution of teaching [342]
ANDREW WHITEN
- 18 The development of social roles in the play of an infant gorilla and its relationship to sensorimotor intellectual development [367]
SUE T. PARKER

V Epilogue

- 19 The mentalities of gorillas and orangutans in phylogenetic perspective [397]
SUE T. PARKER AND ROBERT W. MITCHELL
