

## General index

- age grading, *see* variation  
 allophones 236, 252  
 alternation condition 104  
 analogy 152–3  
 animal communication 8  
 argument structure (syntax) 15–19, 25  
 Articulatory Phonology 85–7  
 assimilation 84, 86  
 autosegmental phonology 105–8
- backformation 171  
 bilingualism, *see* multilingualism  
 Bill Peters effect 54  
 birdsong 8–10  
 borrowing between dialects 29, 48–54, 59, 80, 83  
   between languages 28, 59, 60–3, 66–9, 70–2  
   between closely related languages 61–2  
   by monolinguals 60–3  
   of lexemes 28, 31, 60–2  
 of structures 29, 36–7, 49, 51–3, 54, 59, 63  
   of morphosyntax, lexically mediated 66–72  
   of phonology, lexically mediated 62  
 (*see also* transfer by interference)
- case-marking 17, 20  
 categorical perception 13  
 chance resemblances between languages 266, 270  
   calculating probabilities of resemblance 271–8  
 changes in progress 1  
 clitics 215–17, 220, 227  
   second position 216, 220  
 closed-class “function words” 74, 77  
 code-switching 64, 74, 77  
 cognates 229, 236  
 coining of words 29  
 comparative reconstruction 4, 89, 90, 229–31, 237–53  
 compensatory lengthening 108, 114  
 competition of parameters in acquisition 41–2  
   in syntactic change 214–18, 222–6  
 complementary distribution 232, 242, 245, 247, 248, 250, 252
- computational cladistics 263  
 concord classes 178, 197–200, 204–5  
 Constant Rate Effect 222–6  
 constituent order (syntax) 20, 26, 41–2, 214–18  
 contact between dialects 228  
   between languages 213–14  
 contingent events 25  
 creolization 24, 27  
 critical period hypothesis 33
- default, *see* inflectional morphology  
 derivational morphology 155, 156–7, 159  
   word-internal tree structures 156–7  
 descent, linguistic 228, 229, 256  
 deverbal nouns 155  
 devoicing, word-final 126–8, 145–6, 151  
 diasystem (phonology) 51  
 dissimilation 110, 112–13, 136–41, 150  
 Distributed Morphology (DM) 157–65, 177, 190, 193, 194  
   dissociated morphemes 160, 187, 197  
 Encyclopedia 158, 159, 173  
 f-morphemes 158, 160, 164, 170, 177, 180, 193, 194  
 feature hierarchy 161, 162, 190, 192  
 fusion 160, 162, 177–9  
 idioms 158, 173, 174  
 impoverishment 160, 161, 162, 187–90, 191–2, 207  
 I-morphemes 158  
 readjustment rules 164, 179–80  
 roots 158, 160, 164, 165, 166, 170, 171, 180, 187, 193, 194, 196  
 subset principle 162, 163, 164  
 thematic affixes 160  
 Vocabulary 158–60, 161, 162–4, 169, 171, 177, 194
- do*-periphrasis 222–6  
 dual number 161–2, 163–4
- elsewhere condition 162, 163  
 errors in native acquisition 29, 34, 36, 38–9  
   in non-native acquisition 29, 38, 39  
 external sandhi 47

- family tree, *see* *Stammbaum*  
 fricative voicing 122, 133, 134, 142–4, 150  
 functional heads 213  
 functional load 101–2
- gender, *see* concord classes  
 gerunds 155, 159  
 Grassmann's Law 136–41  
 Great Vowel Shift 91, 101–2

 vowel rotations 47–8  
 V-to-C movement 222  
 V-to-T movement 223–5  
  
 word, definition of 158

## Index of languages and families

Names for earlier stages of languages (Old English, etc.) and for reconstructed languages (Proto-Algonkian, etc.) will be found under the distinctive part of the name.

- Afro-Asiatic 197, 275  
 Algonkian 5, 197, 232–3, 264–5, 277–8  
   Proto-Algonkian 95, 104, 114, 259, 264  
 Anatolian 196, 203, 210  
 Arabic 50, 90, 160, 161  
 Arapaho 95, 114  
 Armenian 199, 209, 260  
 Athabaskan-Eyak 278  
   Athabaskan 179  
 Atsina, *see* Gros Ventre  
 Avestan 210, 279
- Baltic 199  
 Balto-Slavic 209  
 Bantu 178  
 Bella Coola, *see* Nuxalk
- Cantonese 102  
 Celtic 199, 209, 279  
   Hispano-Celtic 210  
   Proto-Celtic 260  
 Chadic 275  
 Chichewa 18–19, 20  
 Costanoan 278  
 Cree 95, 232–3, 259, 264
- Dutch 41–2, 61, 100–1  
   Middle Dutch 61, 99–100
- English 11, 13, 14, 15–16, 20, 21, 31, 34, 35, 36–7, 38–9, 40, 44, 46, 47, 48, 49, 50, 52–3, 60, 62, 63, 76, 78–9, 80, 83, 86, 88, 90–3, 95, 98, 101, 103, 143–4, 152, 153–4, 155, 156, 159, 164, 167, 170, 171, 179–80, 193, 194, 196, 205, 206–7, 210, 213–14, 222–6, 233, 236–7, 247, 254, 260, 266–70, 271–5  
   Middle English 6, 16, 30, 71–2, 74, 75, 76–7, 91, 94, 120–2, 133–4, 142–3, 147–8, 150–1, 170, 175–7, 180, 193, 196, 222–3, 224, 254, 270  
   Old English 2, 6, 21, 30, 73–6, 80, 94, 98, 100, 103, 106, 110, 133, 134, 147, 150, 153, 154, 167, 170, 175, 179–80, 189–90, 192, 196, 206, 209, 210, 226, 233, 258, 270
- Estonian 129, 258
- Finnish 128–30, 258  
 Fox 56–8, 95, 104, 232–3, 259, 264  
 French 46, 66–9, 81–3, 103, 174, 195, 210, 231–2, 270  
   Old French 16, 81–2, 123, 133, 142, 150, 210
- Georgian 34  
 German 34, 61, 90, 102, 126–8, 135–6, 145, 147, 149, 151, 167, 172–3, 174, 182–3, 192, 199, 204–5, 232, 233, 236–7, 254, 257, 266–70  
   Middle High German 61, 102, 126, 136, 182–3, 193  
   Middle Low German 102  
   Old High German 100, 122, 182, 189, 192, 233, 265  
   Swiss German 123–6, 145  
 Germanic 151, 188–90, 191–2, 209, 229, 259–62, 265, 266  
   Proto-Germanic 188, 191–2, 196, 206, 207, 229, 258, 270, 279  
   West Germanic 184, 187, 189, 208  
   Proto-West Germanic 61, 90, 99, 255  
 Gothic 2, 161, 173–4, 188, 191, 208, 258  
 Greek (Ancient) 6, 94, 108–9, 110, 113, 114, 115–19, 136–41, 150, 160–4, 165, 166, 168–70, 172, 183–4, 185, 187, 188, 193–4, 199, 207, 209, 210, 214–18, 226, 257, 265  
   (Modern) 72–3  
   Mycenaean 208  
 Greenlandic, West 34, 44  
 Gros Ventre 114
- Hawaiian 90, 114  
 Hebrew 70–1  
 Hittite 110

- Icelandic 102, 199  
 Indo-European 5, 179, 229  
   Proto-Indo-European 110–11, 168, 178, 186,  
   191, 229, 257, 259, 264, 265, 266  
 Indo-Iranian 209  
 Inuktitut 44  
 Irish 213  
   Old Irish 110, 161, 164, 165, 218–22  
 Italian 174, 179, 195, 200  
 Italic 186, 208  
   Proto-Italic 200–1, 207, 260  
  
 Japanese 61  
  
 Ket 278
