

Index

Entries containing biographical or bibliographical information have been printed in bold type to help readers find their way among the many names listed here. In order to make the length manageable, entries for persons other than English historians have been kept to a minimum. The central themes of the book may be tracked through the entries for 'whig interpretation of history' and 'Modernism'.

- Acton, Lord 14, 50, 52, 57, 60, 93, 182, 194, 206
 and Butterfield 154
