EDITED BY
STANLEY WELLS
EDITOR’S NOTE

Future volumes of Shakespeare Survey will be edited by Professor Peter Holland.

Volume 53, on ‘Shakespeare and Narrative’, will be at press by the time this volume appears. The theme of Volume 54, which will include papers from the 2000 International Shakespeare Conference, will be ‘Shakespeare and Religions’.

Submissions should be addressed to the Editor at The Shakespeare Institute, Church Street, Stratford-upon-Avon, Warwickshire CV37 6HP, to arrive at the latest by 1 September 2000 for Volume 54. Pressures on space are heavy; priority is given to articles related to the theme of a particular volume. Please either enclose postage (overseas, in International Reply Coupons) or send a copy you do not wish to be returned. All articles submitted are read by the Editor and at least one member of the Editorial Board, whose indispensable assistance the Editor gratefully acknowledges.

Unless otherwise indicated, Shakespeare quotations and references are keyed to the modern-spelling Complete Oxford Shakespeare (1986).

Review copies of books should be addressed to the Editor, as above. In attempting to survey the ever-increasing bulk of Shakespeare publications our reviewers inevitably have to exercise some selection. We are pleased to receive offprints of articles which help to draw our reviewers’ attention to relevant material.
