### TIP

Read the instructions and look at the picture before you start. This will tell you the topic of the sentences.

Look at the words before and after the gap before you choose your answer.

The example and five sentences are about the same topic or they tell a short story. Before you start, look at the instructions and the picture.

Think about these questions:

- 1 What are the sentences about?
- 2 What is the picture of?

Before you choose the word that fits in the gap, look at the words before and after the gap. The word you choose from the A, B and C choice must fit with these. Think about these questions:

### Question 6

Which word from the A, B, C choice fits with 'most' and 'sport'?

### Question 7

Which word from the A, B, C choice fits with 'she' and 'about'?

### Question 8

Which word from the A, B, C choice fits with 'Gloria' and 'on'?

### Question 9

Which word from the A, B, C choice fits with 'she can' and 'some money from playing football'?

### Question 10

Which word from the A, B, C choice fits with all the words before and after the gap?

Before you write your answers on the answer sheet read the sentences again with your answers filled in the gaps. Think carefully about the meaning of the sentences.

## Reading • PART 4

### TIP

Read the whole text first, before you read the questions. You do not have to understand every word in the text to answer the questions.

Read the text about the TV newsreader, Sean Murphy. This article is about the things Sean Murphy usually does in a working day. Some important words to know are the ones that tell us about time and what Sean Murphy does first and what he does next.

Look at the article again and underline all the words and phrases that tell you when and how often things happen in Sean's day.

Now look at questions 21–27.

Which questions ask about the different things that happen at different times in Sean's day?

Underline the words and phrases in those questions that ask you about when and how often things happen in Sean's day.

Now answer questions 21–27.

Remember, if you cannot find the information in the text, the answer is probably 'Doesn't say'.

## PART 4

### QUESTIONS 21–27

Read the article about Sean Murphy.

Are sentences 21–27 'Right' (A) or 'Wrong' (B)?

If there is not enough information to answer 'Right' (A) or 'Wrong' (B), choose 'Doesn't say' (C).

For questions 21–27, mark A, B or C on your answer sheet.

## Sean Murphy

Sean Murphy reads the late news on British television at 11 o'clock each evening.

'This is a good time for a news programme because we can report the early news from America and the late news from Europe. I still arrive home before midnight because the journey from the Television Centre to my home in north London only takes six minutes. My family are all asleep when I get in, but I usually make a drink of hot milk and read a book for about an hour.

'I always get up to have breakfast with my three children before they catch the school bus. Then I take the newspapers and go back to bed for a short time. Later on, I go for a swim – newsreaders spend too much time sitting down! I sometimes go running. I've done the London Marathon twice. That's a race of over 40 kilometres. I finished each time, but I wasn't among the first!

'I start work after lunch at two o'clock, when I go to my office. The rest of the day is spent planning the programme, but I always try to go home for an hour to see my children before they go to bed.'

**Example:**

0 The late news begins at 11 o'clock every evening.

A Right      B Wrong      C Doesn't say

**Answer:**

|   |                                     |                          |                          |

Now answer questions 36–40.

Read the first line of the instructions. It tells you the topic of all the words. In this test the words are ‘holiday’ words.

How many of these words did you think of and put in the table before you answered the questions?

| places        | clothes             | transport    | things to take with you | things to do on holiday |
