Practical Management of Bipolar Disorder
Practical Management of Bipolar Disorder

Edited by

Allan H. Young
Department of Psychiatry, University of British Columbia, Vancouver, Canada

I. Nicol Ferrier
Institute of Neuroscience, University of Newcastle, Newcastle upon Tyne, UK

Erin E. Michalak
Department of Psychiatry, University of British Columbia, Vancouver, Canada
Contents

List of contributors  page vi

1. Reflections and insights from the ‘lived’ experience  1
   Victoria Maxwell

2. Overview of bipolar disorder  9
   Allan H. Young, I. Nicol Ferrier and Erin E. Michalak

3. The treatment of mania  10
   Heinz Grunze

4. Pharmacological treatment of bipolar depression  24
   Allan H. Young and Charles B. Nemeroff

5. Practical treatment guidelines for management of bipolar disorder  33
   Lakshmi N. Yatham

6. Psychosocial interventions in bipolar disorder: theories, mechanisms and key clinical trials  44
   Sagar V. Parikh and Vytas Velyvis

7. Physical treatments in bipolar disorder  62
   Marisa Le Masurier, Lucie L. Herrmann, Louisa K. Coulson and Klaus P. Ebmeier

8. Treating bipolar disorder in the early stages of illness  73
   E. Jane Garland and Anne Duffy

9. Special populations: the elderly  84
   Alan J. Thomas

10. Special populations: women and reproductive issues  93
    Karine A.N. Macritchie and Carol Henshaw

11. Physical health issues  106
    Chennattucherry John Joseph and Yee Ming Mok

12. Anxiety associated with bipolar disorder: clinical and pathophysiological significance  120
    Pratap R. Chokka and Vikram K. Yeragani

13. Bipolar disorder co-morbid with addictions  129
    Jose M. Goikolea and Eduard Vieta

14. Practical management of cyclothymia  139
    Giulio Perugi and Dina Popovic

15. Circadian and sleep/wake considerations in the practical management of bipolar disorder  152
    Greg Murray

16. A clinician’s guide to psychosocial functioning and quality of life in bipolar disorder  163
    Erin E. Michalak and Greg Murray

17. Service delivery of integrated care for bipolar disorder  175
    Richard Morriss

18. Training and assessment issues in bipolar disorder: a clinical perspective  184
    Sagar V. Parikh and Erin E. Michalak

19. Practical guide to brain imaging in bipolar disorder  194
    I. Nicol Ferrier and Adrian J. Lloyd

20. From neuroscience to clinical practice  199
    Annie J. Kuan, Vivienne A. Curtis and Allan H. Young

Index  210

The colour plates can be found between pages 184 and 185.
Contributors

Pratap R. Chokka
Department of Psychiatry, University of Alberta and Grey Nuns Hospital, Edmonton, Alberta, Canada

Louisa K. Coulson
Department of Psychiatry, University of Oxford, Oxford, UK

Vivienne A. Curtis
Maudsley Hospital and Institute of Psychiatry, London, UK

Anne Duffy
Department of Psychiatry, Dalhousie University, Halifax, Nova Scotia, Canada

Klaus P. Ebmeier
Department of Psychiatry, University of Oxford, Oxford, UK

I. Nicol Ferrier
Institute of Neuroscience, Newcastle University, Newcastle upon Tyne, UK

E. Jane Garland
University of British Columbia and British Columbia’s Children’s Hospital, Vancouver, British Columbia, Canada

Jose M. Goikolea
Bipolar Disorders Program, Institute of Clinical Neuroscience, University of Barcelona, Barcelona, Spain

Heinz Grunze
Institute of Neuroscience, Newcastle University, Newcastle upon Tyne, UK

Carolin Henshaw
Staffordshire University and Liverpool Women’s NHS Foundation Trust, Liverpool, UK

Lucie L. Herrmann
Department of Psychiatry, University of Oxford, Oxford, UK

Chennattucherry John Joseph
Department of Liaison Psychiatry, Royal Victoria Infirmary, Newcastle upon Tyne, UK

Annie J. Kuan
Department of Psychiatry, University of British Columbia, Vancouver, British Columbia, Canada

Adrian J. Lloyd
Institute of Neuroscience, Newcastle University, Newcastle upon Tyne, UK
