 durability/acceptance 488
 environmental policy 485
 failure to provide information 483, 488
 financing 487–8
 healthcare management 486–7
 human rights record 483–4
 overall standards 489
 procurement 486
 sale of government shares 469–70
 Stability Agreement 468
 sustainability programmes 484–7;
 criticisms 485
 Ansermino, Greg 261–2
 arbitral default coverage 258–67
 distinguished from expropriation coverage 259
 arbitral proceedings/awards
 arbitrators’ backgrounds, influence of 262
 enforceability 259
 excess 266–7
 priority over national law 284–5
 procedure 260
 provisions in TIAs 332
 treaty provisions 284
 ‘arbitrary action’ (as scope of stabilization clause) 165, 172–3
 Argentina
 contract law 282–3
 legal disputes with Uruguay 430–6, 448
 opposition to Uruguayan pulp mills 424
 artisanal miners, clashes with project representatives 483–4
 Asantehene, king of the Ashanti 469
 Australia, environmental law 179
 avoidance, prioritization over
 compensation 103–4, 117–19, 135–7, 281–2, 300, 313, 494–5, 497
 costs 281
 HRIA call for 209
 IFC call for 118–19, 204, 279

- avoidance, prioritization (cont.)
 at investors' discretion 279
 states'/companies' preference for
 compensation 134–5, 274, 330–2,
 360–1
 technical/financial feasibility
 136–7
see also compensation
- Azerbaijan
 agreements with BTC companies
 30–1, 131, 133, 367
 benefits of pipeline 370–2
 BTC ESIA 395, 396; inadequacy of
 consultation 402
 insurance law 242, 273
 protests against BTC pipeline
 389–90, 392
 state-owned gas/oil company
 (SOCAR) 415
- Banca Intesa, withdrawal from BTC
 project 410, 413
- banks, ranking by number of deals
 215
- BankTrack 102, 181, 491
- Barry, Michael P. 337, 338
- basic rights
 as critical tool 8–10, 494
 defined 8, 107
 host state obligations 122–3, 133,
 140–1
- BAT (Best Available Technology)
 principle 445
- BBVA (Banco Bilbao Vizcaya
 Argentaria) 426, 455, 459–60
