- Aarhus Convention, 231  
 abbreviations list, xxix–xxxii  
 accountability, regime interaction and  
   legal framework for, 290  
   legitimacy of, 278–84  
 Agenda 21  
   drafting of, 63–4  
   shrimp import ban, WTO adjudication  
     impact on, 199, 201  
     submissions by, 209  
 Agreement on Agriculture, 73n.288, 73  
 Agreement on Import Licensing  
   Procedures, 72  
 Agreement on Rules of Origin, 72  
 Agreement on Subsidies and  
   Countervailing Measures (SCM  
   Agreement), 6, 73–4  
 ‘Chair’s text’ on WTO agreement with,  
   91–3, 95, 114, 118n.178, 121–3,  
   291, 294–5  
 fisheries subsidies restrictions and, 91–3,  
   97, 129–33, 247  
   conditionality peer review, 91n.29,  
   91n.30, 92n.33, 121–3  
   dispute resolution, 125–6, 132  
   notification requirements, 115, 291  
 Agreement on Technical Barriers to Trade  
   (TBT), 71  
   conditionality review, 123, 132  
   *EC - Biotech* case and, 210–11  
   legitimacy issues and exogenous sources  
     usage, 76, 237, 268  
   mutual agreement principles and  
     legitimacy of, 270  
   regime interaction and, 76, 292  
   standards classifications, 116–17  
 Agreement on the Application of Sanitary  
   and Phytosanitary Measures (SPS  
   Agreement), 72  
   conditionality review, 123, 132  
   dispute resolution, 126  
   *EC - Biotech* case and, 210–11, 212,  
     289–92  
   legitimacy issues with  
     exogenous sources usage, 237, 268  
     mutual agreement principles  
       and, 270  
     risk of managerialism and, 277  
     regime interaction and, 76, 292  
     standards classifications of, 116–17  
     VCLT Article 31(1) principles and, 234  
 Agreement on Trade-Related Aspects of  
   Intellectual Property (TRIPS),  
   70n.270, 100  
 amber-box test for fisheries subsidies, 91–3,  
   115–19, 120  
*amicus curiae* briefs  
   as adjudication tool, 228  
   legal framework for regime interaction  
     and, 297  
   legitimacy issues and exogenous sources  
     usage, 238  
   from NGOs, 220–4  
 Animal and Plants Committees, CITES. *See*
