ACKNOWLEDGMENTS

This volume has been over a decade in the making. We must begin therefore by thanking all the contributors not only for their work but also for their patience and understanding. We'd like to thank and acknowledge David Rechter at the University of Oxford, whose input at the outset of this project was invaluable. Thank you to Athan Biss and Gregory Jones-Katz for their invaluable help with manuscript preparation. We would also like to thank Laura Macy, freelance copy-editor working with Out of House Publishing, for helping to bring the manuscript through the final crucial stage to publication. Her editorial work was invaluable and greatly appreciated.

Mitch Hart would like to acknowledge the generous support of Mr. Alexander Grass and his family, sponsors of the Alexander Grass Chair in Jewish History at the University of Florida. And as always, my greatest thanks to Nina Caputo, who has also lived with this project for over a decade.

With much gratitude, Tony Michels would like to thank Rebecca Michels for her support.
