

INDEX

Romans are listed by the cognomen if they possessed one. (Academic works list them by nomen, but since most Romans are known by the cognomen, it seemed pedantic to follow this practice here.) Those without cognomina are listed under the nomen. Roman kings are listed under the first element of their name. Consuls of the Republic are given the date of their first consulship (indicated by the Roman abbreviation *cos.*).

- Abrittus, battle of 270
 Achaean League
 deportation of its leaders 87
 revolt of 87–88
 Actium, battle of 168
 Adherbal 115
 administration of Late Empire 220,
 312–313
 administration, local 139, 256–257, 298
