Introduction: Advances in Korean psycholinguistics	1
CHUNGMIN LEE, GREG SIMPSON AND YOUNGJIN KIM	
Part I Language acquisition	
1 Acquisition of the subject and topic nominals and markers in the spontaneous speech of young children in Korean	23
CHUNGMIN LEE AND SOOK WHAN CHO	
2 The acquisition of argument structure and transitivity in Korean: a discourse-functional approach	34
PATRICIA M. CLANCY	
3 Acquisition of case markers and grammatical functions	50
GYEONGHEE NO	
4 Do Korean children acquire verbs earlier than nouns?	63
YOU-KYUNG CHANG-SONG AND SOYEONG PAE	
5 The acquisition of the placement of the verb in the clause structure of Korean	72
CHUNG-HYE HAN, JEFFREY LIDZ AND JULIEN MUSOLINO	
6 Learning locative verb syntax: a crosslinguistic experimental study	93
MEESOOK KIM	
7 Language-specific spatial semantics and cognition: developmental patterns in English and Korean	107
SOONJA CHOI	

vi	Contents	
8	Acquisition of negation in Korean JUDY YOO-KYUNG BAEK AND KENNETH WEXLER	127
9	The acquisition of Korean numeral classifiers KWEE-OCK LEE AND SUN-YOUNG LEE	137
10	Acquisition of Korean reflexive anaphora SOOK WHAN CHO	150
11	The Korean relative clause: issues of processing and acquisition JONG SUP JUN	160
12	The accessibility hierarchy in Korean: head-external and head-internal relative clauses SOOKEUN CHO AND WILLIAM O'GRADY	168
13	Development of functional categories in child Korean HO HAN	175
14	The acquisition of modality CHUNGMIN LEE	187
15	The syntax of overmarking and <i>kes</i> in child Korean JOHN WHITMAN	221
16	Events in passive development YOUNGJOO LEE AND KWEE-OCK LEE	231
17	Universal quantification in child grammar HYE-KYUNG KANG	244
18	Acquisition of prosody in Korean YOUNGON CHOI AND REIKO MAZUKA	255
19	Korean as a heritage language TERRY KIT-FONG AU AND JANET SAE OH	268
20	Maturational effects on L2 acquisition DAMI LEE	276
21	L2 acquisition of English articles by Korean speakers HEEJEONG KO, TANIA IONIN AND KENNETH WEXLER	286
22	The acquisition of <i>wanna</i> contraction by adult Korean learners of English SOO-OK KWEON	305
23	Phonological abilities of Korean–English bilinguals GRACE H. YENI-KOMSHIAN	318

Contents	vii
24 Parameters on languages in contact: an altered view of codeswitching KEUMSIL KIM YOON	331
25 Influence of socio-psychological categories in bilingual interaction M. AGNES KANG	344
26 Ontological concept versus shape in word learning from a crosslinguistic point of view HYEONJIN LEE	351
27 Notes on Korean Sign Language SE-EUN JHANG	361
Part II Language Processing	
28 Visual processing of Hangul, the Korean script CHANGHO PARK	379
29 English vowel spaces produced and perceived by Americans and Koreans BYUNGGON YANG	390
30 Morphological representation and processing of Sino-Korean words KWANGOH YI	398
31 The role of phonology in word recognition of Korean Hangul and Hanja JEUNG-RYEUL CHO	409
32 Lexical and sublexical processes in Korean word recognition GREG B. SIMPSON AND HYEWON KANG	418
33 Prosody in sentence processing SUN-AH JUN	423
34 Korean sentence processing YOUNGJIN KIM AND KWANGILL CHOI	433
35 Sentence processing and memory representation in Korean JAE-HO LEE AND SUNG-IL KIM	442
36 Understanding complex sentences: memory constraints and informational structure YOONHYOUNG LEE AND PETER C. GORDON	454
37 ERP studies of Korean language processing: word-order effects KYUNG SOON SHIN AND JUN SOO KWON	463

viii	Contents	
38	Inferences during discourse comprehension in Korean SOYOUNG KIM SUH, JUNG-MO LEE AND JAE-HO LEE	474
39	Morpho-syntactic processing in Korean aphasics YU MI HWANG, KICHUN NAM AND MYUNG-YOON KANG	484
40	Morpho-syntactic processing of Korean-speaking adults with Broca’s aphasia MINA HWANG	494
41	Comprehension deficits in Korean agrammatic aphasia MISEON LEE	504
42	Developmental reading disorders in Korean JEESUN KIM AND CHRIS DAVIS	517
43	Individual differences in Korean language processing: context-dependent processing of skilled readers in word ambiguity resolution BYEONG-TAEK LEE AND MYEONG-HAN ZOH	528
44	A computational model of lexical and morphological processing in Korean HEUISEOK LIM AND KICHUN NAM	538
