 102, 104, 118, 139, 142, 203,
 205, 223, 234
- elections 29, 40, 41
- EMS, participation in 100
- ERM crisis 131, 133, 135
- exchange rate 13, 15, 17–20, 22, 25,
 35, 36, 42, 208, 209, 211, 221
- government vote intention 199,
 206–8, 210, 212, 214, 216, 218,
 219, 221, 223
- Labour Party 41, 56, 142, 143, 145,
 205, 207, 221
- Major, John 200, 204
- Thatcher, Margaret 41, 202, 204
- party system 55, 56, 106, 108, 109,
 141, 142, 213
- petrol crisis 212, 219, 221, 222
- cabinet formation 1, 10, 11, 13, 14, 42,
 49, 50, 54, 57, 65, 67, 72–9, 81,
 83–5, 93, 102, 108, 111, 139,
 146, 163, 223
- Austria 14, 54, 58, 64, 67, 68, 90, 93, 95,
 110, 121, 122, 126, 138, 139, 141,
 146–8, 150, 152, 153, 158–60,
 162, 165, 166, 168, 197, 229
- coalition formation 49, 50, 57, 66, 67,
 72, 74, 75, 83, 138, 150, 153,
 159, 197, 230
- Laver–Shepsle model 13, 50, 51–4,
 65, 106, 144
- equilibrium cabinet 52
- post-election negotiations 22, 23, 25,
 28, 36, 38, 42
- strong party 13, 52–4, 57–9, 65,
 74–8, 80, 81, 83–5, 89, 94, 97,
 99–102, 139, 144
- winset program 53, 54, 57, 139, 144
- cabinet dissolutions 10, 12, 21, 22, 25,
 29, 30, 36–9, 42, 46, 103, 104,
 115, 136
- constitutionally-mandated election
 period 108
- ends 105, 107, 111, 113–16, 130,
 131, 136
- expectations of 10, 26, 60, 65, 103,
 104, 107, 116, 117, 130, 137, 138,
 162, 188–90, 195, 200, 223, 226
- government type 108, 109, 111, 114,
 115, 117
- models 10, 12, 26, 31, 42,
 49, 104
- impact 4, 5, 10, 12–14, 16, 50,
 64–6, 81, 82, 84, 87–9, 91–7,
 99–104, 117, 125, 129, 131–3,
 135, 136, 138, 139, 159, 160,
 162, 186, 188, 195, 197, 198,
 202, 217, 219–21, 223, 227, 230,
 231, 233
- bond issues 60, 116, 119, 121–2, 125,
 129
- onshore–offshore spreads 134
- predicted probability 107, 115, 116,
 125
- cabinet durability 14, 105, 108, 109
- event history model 110
- discrete time hazard model 111, 112,
 114
- campaign period 28, 29, 32, 35, 36,
 38, 67–77, 81, 82, 93
- Campbell–Schiller approach 155, 156
- capital asset pricing model (CAPM) 12,
 26, 61
- mean-variance approach 60, 61
- capital controls 11, 91, 130, 132, 133
- capital account liberalization 118,
 119, 126, 132, 134
- central bank independence 94, 99–101,
 229, 230
- coalition formation 49, 50, 57, 66, 67,
 72, 74, 75, 83, 138, 150, 153,
 159, 197, 230; *see* cabinet
 formation
- comovement 63, 87
- content analysis 14, 54, 146, 148
