John Stuart Mill’s essay *On Liberty*, published in 1859, has had a powerful impact on philosophical and political debates ever since its first appearance. This volume of newly commissioned essays covers the whole range of problems raised in and by the essay, including the concept of liberty, the toleration of diversity, freedom of expression, the value of allowing “experiments in living,” the basis of individual liberty, multiculturalism, and the claims of minority cultural groups. Mill’s views have been fiercely contested, and they are at the center of many contemporary debates. The essays are by leading scholars, who systematically and eloquently explore Mill’s views from various perspectives. The volume will appeal to a wide range of readers including those interested in political philosophy and the history of ideas.

**C.L. Ten** is Professor of Philosophy at the National University of Singapore. His publications include *Was Mill a Liberal?* (2004) and *Multiculturalism and the Value of Diversity* (2004).

Robert Amdur teaches in the Department of Political Science and the American Studies Program at Columbia University. His main areas of interest are political philosophy and American constitutional law. He is the author of articles about Rawls, compensatory justice, and freedom of speech.

David O. Brink is Professor of Philosophy at the University of California, San Diego, and Co-Director of the Institute of Law and Philosophy at the University of San Diego Law School. He is the author of *Moral Realism and the Foundations of Ethics* (1989) and *Perfectionism and the Common Good: Themes in the Philosophy of T. H. Green* (2003), as well as articles in ethical theory, history of ethics, political philosophy, and jurisprudence.

Justine Burley is Associate Professor in the Department of Philosophy at the National University of Singapore (NUS), and Deputy Executive Director of the Graduate School for Integrative Sciences and Engineering. She has published in both science and philosophy journals, and has edited several volumes, including *Ronald Dworkin and His Critics* (2004).

Gerald F. Gaus is James E. Rogers Professor of Philosophy at the University of Arizona. Among his books are *Value and Justification* (1990), *Justificatory Liberalism* (1996), and *Contemporary Theories of Liberalism* (2003). Along with Jonathan Riley, he is a founding editor of *Politics, Philosophy and Economics*. He is currently writing books on *The Order of Public Reason*, and, with Julian Lamont, *Economic Justice*.

Frank Lovett is an Assistant Professor of Political Science at Washington University in St. Louis. His primary research concerns the role of freedom and domination in developing theories of justice, equality, and the rule of law.

Jonathan Riley is Professor of Philosophy and Political Economy, Tulane University. He has published extensively on various topics in philosophy, politics, and economics, including John Stuart Mill’s utilitarian liberalism. He is a founding editor of the journal *Politics, Philosophy and Economics*. His most recent book is *Radical Liberalism* (forthcoming).

Henry R. West is Professor of Philosophy at Macalester College, USA. He is the author of *An Introduction to Mill’s Utilitarian Ethics* (2004), and *Mill’s Utilitarianism: A Reader’s Guide* (forthcoming), and the editor of *The Blackwell Guide to Mill’s Utilitarianism* (2006).

Robert Young is affiliated with the Programme in Philosophy at La Trobe University, Australia. His most recent book, *Medically Assisted Death*, was published in 2007.
