

WITTGENSTEIN'S *PHILOSOPHICAL* *INVESTIGATIONS*

Published in 1953, Wittgenstein's *Philosophical Investigations* had a deeply unsettling effect upon our most basic philosophical ideas concerning thought, sensation and language. Its claim that philosophical questions of meaning necessitate a close analysis of the way we use language continues to influence Anglo-American philosophy today. However, its compressed and dialogic prose is not always easy to follow. This collection of essays deepens but also challenges our understanding of the work's major themes, such as the connection between meaning and use; the nature of concepts; thought and intentionality; and language games. Bringing together leading philosophers and Wittgenstein scholars, it offers a genuinely critical approach, developing new perspectives and demonstrating Wittgenstein's relevance for contemporary philosophy. This volume will appeal to readers interested in the later Wittgenstein, in addition to those interested in the philosophy of language, the philosophy of mind, metaphysics and epistemology.

ARIF AHMED is Lecturer in Philosophy at the University of Cambridge and a fellow of Girton College. He is the author of *Saul Kripke* (2007).

Contributors

ARIF AHMED is University Lecturer in Philosophy at the University of Cambridge. He has written on rule-following and private language as well as on issues in contemporary philosophy of language and metaphysics relating to conditionals and causation.

JASON BRIDGES is Assistant Professor of Philosophy at the University of Chicago. He has published papers in philosophy of language and has edited a volume of papers in honour of Barry Stroud.

WILLIAM CHILD is a fellow of University College Oxford and a University Lecturer in Philosophy. In addition to numerous articles on Wittgenstein and philosophy of mind, he is the author of *Causality, Interpretation and the Mind* (1994) and is the co-editor, with David Charles, of a volume of papers in honour of David Pears.

MICHAEL FORSTER is Professor of Philosophy at the University of Chicago. He is the author of *Wittgenstein on the Arbitrariness of Grammar* (2004) as well as articles and books on a very wide range of subjects in the history of philosophy.

HANS-JOHANN GLOCK is Professor of Philosophy at the University of Zurich and has written widely on Wittgenstein. His publications include *A Wittgenstein Dictionary* (1996), *Quine and Davidson on Language, Thought and Reality* (Cambridge University Press 2003) and *What is Analytic Philosophy?* (Cambridge University Press 2008).

ROBERT HANNA is Professor of Philosophy at the University of Colorado at Boulder, and in 2008/9 was a visiting Professor at the University of Cambridge, where he held a bye-fellowship at Fitzwilliam College. He has written a number of books and papers on modern debates in metaphysics and epistemology as well as the history of philosophy. His publications include *Kant, Science and Human Nature* (2006) and *Rationality and Logic* (2006).

PAUL HORWICH is Professor of Philosophy at New York University and has published many books and papers on philosophical logic and metaphysics. His books include *Probability and Evidence* (Cambridge University Press 1982) and *Reflections on Meaning* (2005).

DALE JACQUETTE is Professor of Philosophy at the Pennsylvania State University. He is the author of *Wittgenstein's Thought in Transition* (1998) and of *Frege: A Philosophical Biography* (forthcoming, Cambridge University Press).

MICHAEL LUNTLEY is Professor of Philosophy at the University of Warwick. He is the author of *Contemporary Philosophy of Thought* (1999) and of *Wittgenstein: Meaning and Judgment* (2003).

JOHN MCDOWELL is Distinguished University Professor of Philosophy at the University of Pittsburgh. His best-known and most influential work is *Mind and World* (1994).

Before his death in 2007, RICHARD RORTY was Professor Emeritus in Comparative Literature at Stanford University. His many works include *Philosophy and the Mirror of Nature* (1979).

DAVID STERN is Professor of Philosophy at the University of Iowa and a Wittgenstein scholar. He is the author of *Wittgenstein's 'Philosophical Investigations': An Introduction* (Cambridge University Press 2004) and of *Wittgenstein on Mind and Language* (1995).

Acknowledgments

I am most grateful to my contributors for their patience during the composition of this volume, to Jane Heal for helpful comments, to two Cambridge University Press readers for their valuable advice, to Damien Freeman for painstaking and efficient editorial assistance, and to Hilary Gaskin at Cambridge University Press for *her* patience, and encouragement. I am also very grateful to Sebastian Köhler, Gemma Murray and Adam Stewart-Wallace for assistance with the index and to Charlotte Lee for her advice on German.

Richard Rorty's essay 'Wittgenstein and the linguistic turn' was originally published in *Cultures: Conflict – Analysis – Dialogue. Proceedings of the 29th International Ludwig Wittgenstein Symposium, Kirchberg am Wechsel, Austria 2006* by the Austrian Ludwig Wittgenstein Society (Heusenstamm:ontos verlag, 2007), and appears here by kind permission of Mary Rorty.

Throughout the volume, quotations are taken from *Philosophical Investigations*, translated by G. E. M. Anscombe, 2nd edition (Oxford: Blackwell, reprinted 1998).
