Schmajuk, Nestor A.

Mechanisms in classical conditioning : a computational approach / Nestor Schmajuk.

p. cm.

ISBN 978-0-521-88780-9 Hardback

1. Conditioned response—Computer simulation. 2. Neural networks  
(Computer science) I. Title.

BF319.S357 2010

153.1'526—dc22 2009036649

ISBN 978-0-521-88780-9 Hardback

Cambridge University Press has no responsibility for the persistence or  
accuracy of URLs for external or third-party internet websites referred to in  
this publication, and does not guarantee that any content on such websites is,  
or will remain, accurate or appropriate.

Every effort has been made in preparing this publication to provide accurate  
and up-to-date information which is in accord with accepted standards and  
practice at the time of publication. Although case histories are drawn  
from actual cases, every effort has been made to disguise the identities of  
the individuals involved. Nevertheless, the authors, editors and publishers  
can make no warranties that the information contained herein is totally  
free from error, not least because clinical standards are constantly  
changing through research and regulation. The authors, editors and  
publishers therefore disclaim all liability for direct or consequential  
damages resulting from the use of material contained in this publication.  
Readers are strongly advised to pay careful attention to information provided  
by the manufacturer of any drugs or equipment that they plan to use.
