1 Introduction: Homogeneous Corporate Governance Cultures  1
  Variance in Corporate Governance Models and the Move
  Toward Diversity Regulation  6
  Roadmap of Subsequent Chapters  8
  Methodological Approach  13
  The Findings  17
  A. The Quota Approach  17
  B. The Disclosure Approach  19
  Real-World Policy Implications  21

2 Laying a Foundation: Why the Board, Why the Statistics,
  and Why Diversification?  24
  Introduction  24
  Why the Board?  25
  Explaining the Statistics  36
  A. Statistics from Canada and the United States  36
  B. The “Pool Problem”  38
  C. Implicit Cognitive Bias and Closed Networks  47
  D. The Role of Shareholders  54
  Rationales for Diversification  58
  A. From Moral Obligation to Organizational
     Performance: The “Business Case” for Diversity  58
  B. Critical Reflections on the Business Case  64
  C. Concluding Thoughts: The Need for Regulation  68
3 Enter Legal Regulation: Quota- and Disclosure-Based Approaches

Introduction
The Quota Approach: The Regulatory Landscape
Justification and Controversy
The Disclosure Approach
The U.S. Rule
The Rule as Therapeutic Disclosure
Theoretical Underpinnings of the Rule

4 Norway’s Socio-Legal Journey: A Qualitative Study of Boardroom Diversity Quotas

Introduction
Norway’s Quota Law in Context
Research Design
A. Access and Trust
B. Profile of the Sample Population
C. Data Collection, Analysis, and Limitations
Findings
A. Societal Reactions to the Quota Law
   (i) General Acceptance
   (ii) Director Support and a Narrative of Change
B. The Quota Law’s Meaning and Effects
   (i) Characteristics
   (ii) Outcomes
   (iii) Concrete Examples of Diversity’s Value
   (iv) The Benefits of Critical Mass
   (v) Compromised Efficiency?
   (vi) Opening Networks, Redistributing Power
   (vii) The Absence of Stigma
Conclusion

5 Lessons from Norway: Successes and Limitations of the Quota Model

Summarizing the Early Results of Norway’s Quota Experience
Questions Arising from the Norwegian Case
A. Potential Limitations and Uncomfortable Assumptions
   (i) Essentialism
   (ii) The Potential Loss of Outsider Status
   (iii) Value Minimization?
   (iv) Effects on the Executive Suite
Contents

B. Translating the Norwegian Experiment 163
   (i) The Effects of Sociopolitical Culture 163
   (ii) The Relevance of Corporate Governance Cultures 165
   (iii) The Value of Incrementalism 167
   (iv) Establishing the Pool 169
Conclusion 172

6 Proxy Disclosures under the U.S. Rule: A Mixed-Methods Content Analysis 173
   Introduction 173
   Methodology and Research Questions 176
   Stage 1: Pre-rule Adoption 180
      A. Data Collection and Results 180
   Stage 2: Corporate Reporting under the SEC Diversity Disclosure Rule 183
      A. Data Collection and Coding 183
         (i) Sample 183
         (ii) Categorizing and Coding “Diversity” 187
      B. Did Firms Achieve Minimal Compliance with the Rule? 188
      C. How Do Firms Consider Diversity? 191
      D. What, If Any, Rationales Did Firms Provide for Their Consideration of Diversity? 196
      E. Did Firms Disclose the Existence of Diversity Policies? If So, Did They Comply with the Rule’s Reporting Requirements Regarding Implementation and Effectiveness? 200
         (i) The Existence of Diversity Policies 200
         (ii) Reporting on Policy Implementation and Effectiveness 203
   Stage 3: Regulatory Response Subsequent to Corporate Reporting 205
   Concluding Remarks: Firms’ Consideration of Diversity Pre– and Post–SEC Rule 210

7 Contextualizing the Content Analysis Results: Norms, Expressive Law, and Reform Possibilities 213
   Introduction 213
   Diversity and Social Norms 214
   The Expressive Function of Law 219
   Revisiting the Architecture of the SEC Rule: Recommendations 229
A. Defining Diversity 230
B. Considering a Comply-or-Explain Approach 240
   (i) The Model and Its International Application to Board Diversity 240
   (ii) Insights from Social Psychology and Organizational Diversity Research 248
   (iii) Deficiencies of Comply-or-Explain and the Possibility of a Hybrid Model 255
   (iv) The Role of Shareholders 261

8 Conclusions: Ongoing Inquiry into Quotas and Disclosure Regimes as Regulatory Models 268
Introduction 268
The Core Findings Revisited 269
   A. The Quota Approach 269
   B. The Disclosure Approach 270
Quota and Disclosure Regimes as Regulatory Models 270
The Future of the Inquiry 280

Appendix: Further Elaboration Regarding Methodology 291
Interviews (Chapter 4) 291
   A. Access and Trust 291
   B. Data Collection 292
   C. Data Analysis and Presentation 295
Content Analysis (Chapter 6) 296
   A. Stage 1: Pre-rule Adoption and the Comment Process 296
      (i) Data Collection and Coding 296
   B. Stage 2: Corporate Reporting under the SEC Diversity Disclosure Rule 297
      (i) The Sample and Data Collection 297
      (ii) The Coding Process 298
      (iii) Challenges and Potential Limitations 299
      (iv) Specific Coding Decisions 302
   C. Stage 3: Regulatory Response Subsequent to Corporate Reporting 306
      (i) Data Collection and Coding 306
