THE CAMBRIDGE HISTORY OF MORAL

PHILOSOPHY

With fifty-four chapters charting the development of moral philosophy in the Western world, this volume examines the key thinkers and texts and their influence on the history of moral thought from the pre-Socratics to the present day. Topics including Epicureanism, humanism, Jewish and Arabic thought, perfectionism, pragmatism, idealism and intuitionism are all explored, as are figures including Aristotle, Boethius, Spinoza, Hobbes, Hume, Kant, Hegel, Mill, Nietzsche, Heidegger, Sartre and Rawls, as well as numerous key ideas and schools of thought. Chapters are written by leading experts in the field, drawing on the latest research to offer rigorous analysis of the canonical figures and movements of this branch of philosophy. The volume provides a comprehensive yet philosophically advanced resource for students and teachers alike as they approach, and refine their understanding of, the central issues in moral thought.

SACHA GOLOB is a Senior Lecturer in Philosophy and the Director of the Centre for Philosophy and the Visual Arts at King's College London. He is the author of *Heidegger on Concepts, Freedom and Normativity* (Cambridge 2014), and of articles on the histories of French and German philosophy and the philosophy of mind.

JENS TIMMERMANN is Professor of Moral Philosophy at the University of St Andrews. He is the co-editor of *Kant's 'Critique of Practical Reason': A Critical Guide* (Cambridge 2010) and of *Immanuel Kant: Groundwork of the Metaphysics of Morals* (Cambridge 2011).

Acknowledgements

Involving well over sixty contributors and referees, this book has been a long time in the making: we would like to express our gratitude to all involved for their patience. Our thanks in particular go to Peter Adamson, Tobias Hoffmann, John Marenbon, Tom Pink and Voula Tsouna for their advice and guidance. Above all, we should like to thank Hilary Gaskin and her colleagues Daniel Brown, Gillian Dadd, Christina Sarigiannidou and Ross Stewart at Cambridge University Press for their support throughout the process, and Virginia Catmur for her heroic copy-editing.
