Introduction	1
1 ‘What those boys need is a good handbagging.’ What is metonymy?	4
1.1 Introduction	4
1.2 Metonymy from a cognitive linguistic perspective	9
1.3 The differences between metonymy and metaphor	13
1.4 Aims and overview of the book	15
2 ‘He coughed and spluttered a lot and sneezed his lunch all over the place.’ Types of metonymy and their behaviour in real-world data	19
2.1 Introduction	19
2.2 Metonymy types and their manifestations in real-world data	20
Examples of whole–part metonymy types and their manifestations in real-world data	21
Examples of part–part metonymy types and their manifestations in real-world data	28
2.3 Principles determining vehicle choice and their manifestations in real-world data	35
2.4 Conclusion	41
3 ‘He’s only bowin’ to his passport.’ Theoretical models of metonymy: uses and drawbacks	42
3.1 Introduction	42
3.2 Established models of metonymy: uses and drawbacks	43
Referential and propositional metonymy (Warren, 1999, 2003, 2006)	43
Referential, predicational and illocutionary metonymy (Panther and Thornburg, 1998)	46
‘Source in target’ metonymy and ‘target in source’ metonymy (Ruiz de Mendoza Ibáñez and Díez Velasco, 2002)	48
Peirsman and Geeraerts’ (2006a) varying strengths of contiguity	51
Langacker’s (1993) focus on active zones and what this means for models of metonymy	53
	vii

viii	Contents	
	Barcelona's (2003b) progressive membership constraint model and Handl's (2012) radial category approach to metonymy	56
3.3	Other approaches to language that can be used to explain metonymy	59
	Metonymy and blending theory	59
	Metonymy and relevance theory	61
	Metonymy as an emergent phenomenon: the role of complex systems theory	62
3.4	Conclusion	63
4	“‘BBC”, her mother would have said.’ What do people use metonymy for?	65
4.1	Introduction	65
4.2	Referential functions of metonymy	65
4.3	Highlighting and construal	73
4.4	Anaphoric reference, cohesion and coherence	75
4.5	Exophoric reference	82
4.6	Illocutionary functions of metonymy	84
4.7	Relationship-building and the establishment of discourse communities	85
4.8	Conclusion	90
5	‘But what can we expect, after all, of a man who wears silk underpants?’ Playful, evaluative and creative functions of metonymy	92
5.1	Introduction	92
5.2	Metonymy and euphemism	93
5.3	Metonymy and hyperbole	94
5.4	Metonymy and irony	95
5.5	Metonymy and vagueness	96
5.6	Metonymy and evaluation, ideology and positioning	99
5.7	Metonymy and creativity	104
	The creative use of metonymy in language and the role of metonymy in linguistic humour	105
	The creative use of metonymy in art	111
	The creative use of metonymy in music	113
	The creative use of metonymy in film and advertising	115
	How do these findings on the creative uses of metonymy in other forms of expression relate to existing work on semiotics?	119
5.8	Conclusion	122
6	‘The Government of Britain is sort of there.’ How can we identify ‘metonymy’?	123
6.1	Introduction	123
6.2	Metonymy identification in text: a possible procedure and initial challenges	124
6.3	Further challenges in metonymy identification	127
	The role played by metonymy in language change	128
	The interaction and overlap between metonymy and metaphor	132
6.4	The automatic identification and interpretation of metonymy in language	138

Contents	ix
6.5 Possible avenues to explore in the automatic identification of metonymy	139
Signalling	140
Formal features of metonymy	141
The role of genre and register	145
6.6 Conclusion	146
7 'I found Robbie Williams in the lounge.' How is metonymy processed in the mind?	147
7.1 Introduction	147
7.2 Psycholinguistic and neurological studies of metonymy comprehension	147
7.3 Developmental studies of metonymy comprehension and production	152
7.4 Metonymy comprehension and production by children with linguistic impairments	155
7.5 Metonymy and psychotherapy	157
7.6 Conclusion	160
8 'He started as nobody from Austria.' Cross-linguistic and cross-cultural variation in metonymy: implications for language learning and translation	161
8.1 Introduction	161
8.2 Cross-linguistic variation in metonymy	162
8.3 Problems caused by misunderstandings of metonymy in cross-linguistic and cross-cultural communication	169
8.4 Metonymy and the language learner	172
Metonymy comprehension by language learners	172
Metonymy production by language learners	180
Can metonymy be 'taught' to language learners?	184
8.5 Metonymy and translation	186
8.6 Conclusion	189
9 'These huts did absolutely unbelievable work.' What do we now know about metonymy?	191
9.1 Introduction	191
9.2 What do we now know about metonymy?	191
Metonymy is not just found in language	191
Metonymy serves a wide range of rhetorical functions	192
Metonymy is often used playfully and creatively and for humorous effect	192
Metonymy can be found in many different parts of speech	193
Metonymy extends beyond the level of the word	193
Metonymy is subtle and flexible	193
9.3 What do we still not know about metonymy and how might metonymy research continue to be used in the 'real world'?	194
9.4 Conclusion	197
