<i>List of figures</i>	page x
<i>List of tables</i>	xii
<i>Preface</i>	xiii
<i>Acknowledgments</i>	xv
1 Emotion: an interpersonal perspective	1
Definitional issues	3
An interpersonal approach to emotion	5
Goals and overview of the book	6
PART I Emotions as Social Information Theory	11
2 Emotions as social information	13
Emotional expressions as evolutionary adaptations	14
What do emotional expressions signal?	21
Emotional expressions as communicative tools	23
Emotional expressions as cues to social predispositions	27
When emotional signaling fails	30
Conclusion	35
3 Mechanisms involved in the social effects of emotions	37
Emotional expressions trigger affective reactions in observers	38
Emotional expressions elicit inferential processes in observers	45
The relationship between affective reactions and inferential processes	52
Conclusion	55
4 Contingencies of the social effects of emotions	56
General prerequisites for the social effects of emotions	56
Factors shaping the impact of inferential processes and affective reactions	60
Conclusion	77
	vii

PART II Social effects of emotions: the empirical record	79
5 Social effects of emotions in close relationships	81
The functionality of emotions in close relationships	81
Emotional convergence in interpersonal relationships	84
Social consequences of emotional expressions for relationships	86
Conclusion	98
6 Social effects of emotions in groups	101
The functionality of emotions in group life	102
Affective reactions, affective composition, and group functioning	104
Emotional expressions and inferential processes in groups	112
Contingencies of the social effects of emotional expressions in groups	115
Conclusion	119
7 Social effects of emotions in conflict and negotiation	123
Affective reactions and their behavioral consequences	125
Inferential processes and their behavioral consequences	128
Affective reactions versus inferential processes	134
Emotional intelligence in conflict and negotiation	142
Conclusion	143
8 Social effects of emotions on consumer behavior and customer service	146
Effects of service providers' emotions on customers	148
Effects of customers' emotions on service providers	155
How third parties' emotional expressions shape consumers' attitudes	160
Interpersonal emotion regulation	162
Emotional intelligence in the service industry	165
Conclusion	167
9 Social effects of emotions in leadership	170
Leaders' emotional displays and perceptions of leadership quality	172
Leaders' emotional displays and followers' performance	177
Leadership and emotional intelligence	190
Conclusion	192

<i>Contents</i>	ix
PART III Conclusions, implications, and new directions	195
10 Critical evaluation, theoretical integration, and implications	197
Summary of EASI theory	198
A critical evaluation of the empirical support for EASI theory	201
How does EASI theory relate to other approaches?	
Differences, commonalities, and integration	206
Implications for theory and research	212
Conclusion	221
11 Caveats and future directions	223
The elusive nature of evolutionary arguments	223
Measurement and separability of affective versus inferential processes	225
Expanding the repertoire of emotional expressions	228
Temporal issues regarding the social effects of emotions	234
Broadening the outlook on the social context	239
Coda	243
