978-1-107-05081-5 - Nietzsche's Last Laugh: Ecce Homo as Satire

[More information](#)*Index*

Note: Because the book concerns Nietzsche's last original composition and its satiric nature, there exists no heading for *Ecce Homo*, nor will you find the entry, "Satire, *Ecce Homo* and," as this would run to scores of citations. Second, for a similar reason, there exists no heading for Nietzsche himself. Finally, although each of his individual books has a complete entry, you will find *Ecce Homo* sections devoted to Nietzsche's books more readily by consulting the Contents page.
