Locators in bold refer to figures and tables
Abbreviations used in subheadings
SMH = school mental health

A Framework for Junior Cycle
(Department of Education and Skills), Ireland 113, 115, 116
academic achievement. see educational outcomes
academic pressure. see stress accommodations, United States 273–274, 277–278
activity levels, New Zealand 173
ADHD. see attention deficit hyperactivity disorder
administrative commitment, United States 286. see also policy frameworks
Adolescent Self-rating Life Events Checklist (ASLEC) 74
adolescents. see mental health disorders in children and adolescents
Africa, contextual factors 307. see also Ghana; Malawi
age of onset of mental health disorders, China 84–85
alcohol use
Chile 164–165
China 85
see also substance use
anxiety
China 74, 86
Ireland 118
mindfulness for 259
ASLEC. see Adolescent Self-rating Life Events Checklist
Asia. see China; India; Japan; Singapore
assessment. see outcome monitoring
attention deficit hyperactivity disorder (ADHD)
China 71, 73–74, 78
Chinese–Canadian program 71, 78
Iraq 106
Turkey 222
Ukraine 246–247
United States 271, 274–278
attentional training, mindfulness 252, 259, 260
attitudes and beliefs about mental illness
Canada 34
Ghana 190–191, 194–195
Japan 143, 146, 148
and mental health literacy 49, 50–51
Singapore 203
see also stigma
Australia 6–7, 10, 17–18, 299–300
contextual factors 7–8, 307
educational outcomes 8–9
implementation 9, 12–13, 14–15
internet-based programs 118–119
KidsMatter 13–14, 299–300
KidsMatter Early childhood 14–15
MindMatters 10–13
public health perspective 10
Response-Ability 15–16
sustainability 14, 16–17
authentic engagement, Canada 63
autism spectrum disorders (ASD) 222
autonomy experience, Healthy Kids Survey 12
backstopping methodology, Malawi 153–154
Ban, Professor Hua 81–82, 86
BANANA project, ADHD 71, 78
“Basic Requirements on the Mental Health Education in Elementary through High Schools” (State Council of the People’s Republic of China) 82
Basic needs program, Ghana 195–196, 197
behavioral problems
Brazil 22
China 80
and mindfulness 259
New Zealand 170
Turkey 232–237
United States 270, 271–272, 274–275
Beijing Middle School, China 88
beliefs. see attitudes and beliefs
belonging. see connectedness
Blueprint for National Mental Health, Singapore 203
Brazil (Cool Mind Program) 21–23, 27–28
program objectives 23
teacher mental health awareness 24–27,
teacher selection/mental health training 23–24
teacher training evaluation 24
Bridging the Digital Disconnect program, Ireland 119–121
brief interventions, mental health literacy 54–55, 56
British Columbia School Centred Mental Health Coalition
actions/initiatives 64–66
c connectedness 61–62,
enhancing shared understanding 66–67
goals 63
logic model 69
member organizations 68
strategies/practices 64
Buddhism 253. see also mindfulness
