# Contents

*About this Book* vii  
*Foreword* xi  
*Acknowledgements* xii

**Introduction: The Language Machine** 1

## 1 Categories and Features

1.1 **Insight: Words and Categories** 7  
1.2 **Implementation: Categories and Features** 8  
1.3 **Consequences: Features and Subfeatures** 10  

*Summary* 29  
*Further Reading* 29

## 2 Merge

2.1 **Insight: Constituents Are Headed** 30  
2.2 **Implementation: Operation Merge** 31  
2.3 **Consequences: Testing the Predictions of Merge** 35  

*Summary* 43  
*Further Reading* 52

## 3 Theta Theory (θ-Theory)

3.1 **Insight: Merge and the Meaning of Verbs and Nouns** 54  
3.2 **Implementation: Theta Theory (θ-Theory)** 55  
3.3 **Consequences: Missing Arguments – Passives, Ergatives and PRO** 56  

*Summary* 68  
*Further Reading* 76

## 4 Case Theory

4.1 **Insight: Case as a Filter on Syntactic Structures** 78  
4.2 **Implementation: Case-Assigning Heads** 79  
4.3 **Consequences: Functional Projections** 82  

*Summary* 100  
*Further Reading* 109

## 5 Agreement and Uninterpretable Features

5.1 **Insight: Agreement Reflects Syntactic Dependencies** 110  
5.2 **Implementation: Agreement as Feature Dependency** 111  
5.3 **Consequences: Binding, C-Command and Agreement** 113  

*Summary* 124  
*Further Reading* 136

CONTENTS

6 Movement and Remerge 138
6.1 Insight: Constituents Can Move 139
6.2 Implementation: Movement as Remerge 143
6.3 Consequences: The VP-Internal Subject Hypothesis 154
   Summary 162
   Further Reading 163

7 Unifying Movement and Agreement 164
7.1 Insight: Agreement Triggers Remerge 165
7.2 Implementation: Triggering Remerge 167
7.3 Consequences: Layered VPs 181
7.4 Taking Stock 192
   Further Reading 193

8 Syntax and Morphology 194
8.1 Insight: Morphology and Syntax are Different Grammatical Modules 195
8.2 Implementation: The Interaction between Syntax and Morphology 197
8.3 Consequences 205
   Summary 218
   Further Reading 219

9 Syntax and Phonology 220
9.1 Insight: Syntax is not about Word Order 221
9.2 Implementation: A Linearisation Algorithm 224
9.3 Consequences: The Linearisation of Remerged Constituents 235
   Summary 241
   Further Reading 243

10 Syntax and Semantics 244
10.1 Insight: Compositionality 245
10.2 Implementation: The Scope–C-Command Principle 247
10.3 Consequences: Overt Movement and Syntactic Locality Conditions 258
   Summary 266
   Further Reading 267

Afterword 268
   Hybrid Verbs 270
   Wh-Subjects 272
   The Uniformity of Syntactic Dependencies:
      What about Selection? 275
      Syntactic Islands 276
      Final Remarks 278
   Further Reading 279

Glossary 280
