Paper titles are in ‘single quotes’; book and journal titles *are in italics*; FTNS is ‘The Fundamental Theorem of Natural Selection’; *GTNS* is *The Genetical Theory of Natural Selection*; AWFE is A.W.F. Edwards; AWFE citations are in the form ‘year [paper number]’; single asterisk \* denotes joint papers with Cavalli-Sforza; double asterisk \*\* for other multi-authored work; all other citations are in the form Name (year). Page numbers in **bold** locate the Selected Papers.
