List of Contributors ix
Preface to the Second Edition xiii

Section 1 Physiological Changes in Pregnancy

1. **Normal Cellular Changes during Pregnancy and the Puerperium** 1
Margaret Ramsay
2. **Normal Coagulation Changes during Pregnancy** 7
Rachel Rayment

Section 2 Cytopenia

3. **Iron Deficiency in Pregnancy** 15
Xiao-Yin Zhang and Sue Pavord
4. **Vitamin B₁₂ and Folate Deficiencies in Pregnancy** 29
Alesia Khan and Susan Robinson
5. **Autoimmune Cytopenias in Pregnancy** 40
Hamish Lyall and Bethan Myers

Section 3 Inherited Red Cell Disorders

6. **Management of Sickle Cell Disease in Pregnancy** 57
Karyn Longmuir and Jo Howard
7. **Management of Thalassemias in Pregnancy** 66
Farrukh Shah, Emma Prescott, and Amma Kyei-Mensah
8. **Screening for Hemoglobinopathies** 77
Shirley Henderson and Josh Wright
9. **Management of Other Inherited Red Cell Disorders in Pregnancy** 93
Noemi Roy and Sue Pavord

Section 4 Fetal Maternal Alloimmune Syndromes

10. **Fetal/Neonatal Alloimmune Thrombocytopenia** 103
Michael Murphy
11. **Red Cell Alloimmunization** 112
Alec McEwan

Section 5 Thromboembolism and Anticoagulation

12. **Acute Management of Suspected Thromboembolic Disease in Pregnancy** 129
Andrew Thomson, Beverley Hunt, and Ian Greer
13. **Thromboprophylaxis in Pregnancy** 139
Anna Lawin-O'Brien and Catherine Nelson-Piercy
14. **Management of Prosthetic Heart Valves in Pregnancy** 150
Claire McLintock
15. **Management of Anticoagulants at Delivery** 165
Christina Oppenheimer, Paul Sharpe, and Andrew Ling

Section 6 Thrombophilia and Fetal Loss

16. **Antiphospholipid Syndrome** 177
Sue Pavord, Bethan Myers, Savino Sciascia, and Beverley Hunt
17. **Inherited Thrombophilia and Pregnancy Loss** 189
Luuk Scheres, Isobel Walker, and Saskia Middeldorp

Contents

Section 7 Hemorrhagic Disorders

- 18A. **Management of Obstetric Hemorrhage: Obstetric Management** 197
 Annette Briley and Susan Bewley
- 18B. **Management of Obstetric Hemorrhage: Anesthetic Management** 206
 Catherine Collinson and Arlene Wise
- 18C. **Management of Obstetric Hemorrhage: Hemostatic Management** 217
 Peter Collins and Rachel Collis
- 18D. **Management of Obstetric Hemorrhage: Radiological Management** 227
 Narayan Karunanithy and Athanasios Diamantopoulos
19. **Management of Inherited Disorders of Primary Hemostasis in Pregnancy** 233
 Sue Pavord and Carolyn Millar
20. **Management of Inherited Coagulopathies in Pregnancy** 246
 Sue Pavord

21. **Genetic Counseling and Prenatal Diagnosis of Congenital Bleeding Disorders** 255
 Nicola Curry and Andrew Mumford

Section 8 Microangiopathies

22. **Pre-eclampsia** 265
 Eleftheria Lefkou and Beverley Hunt
23. **Thrombotic Thrombocytopenic Purpura and Other Microangiopathies in Pregnancy** 282
 Marie Scully and Pat O'Brien

Section 9 Malignant Conditions

24. **Myeloproliferative Neoplasms and Pregnancy** 293
 Susan Robinson and Claire Harrison
25. **Management of Acute Hematological Malignancy in Pregnancy** 309
 Sahra Ali and Gill Swallow
26. **Late Effects of Chemoradiotherapy on Fertility and Pregnancy** 320
 Seonaid Pye and Nina Salooja

Index 333
