

## The Cambridge Handbook of Sociology

Whether you are a student, an instructor, a researcher, or just someone interested in understanding the roots of sociology and our social world, *The Cambridge Handbook of Sociology*, Volume 2, is for you. This second volume of the *Handbook* covers specialties within sociology and interdisciplinary studies that relate to sociology. It includes perspectives on race, class, feminist theories, special topics (e.g. the sociology of nonhuman animals, quality of life / social indicators research, the sociology of risk, the sociology of disaster, the sociology of mental health, sociobiology, the sociology of science and technology, the sociology of violence, environmental justice, and the sociology of food), the sociology of the self, the sociology of the life course, culture and behavior, sociology's impact on society, and related fields (e.g. criminology, criminal justice studies, social work, social psychology, sociology

of translation and translation studies, and women and gender studies). Each chapter includes a discussion of how the respective subfield contributes to the overall discipline and to society. Written by some of the most respected scholars, teachers, and public sociologists in the world, the essays are highly readable and authoritative.

Kathleen Odell Korgen is a professor of sociology at William Paterson University in Wayne, New Jersey. She has co-authored or co-edited numerous books that teach students to use the sociological tools they gain in their classes and to find inspiration from professional sociologists and fellow sociology students. Korgen has received William Paterson University's Award for Excellence in Scholarship / Creative Expression and the university's Award for Excellence in Teaching.

## Contributors

---

**Stanley Blue** is a lecturer in sociology at Lancaster University. His research examines the patterning of the social routines and practices that make up everyday life. His contribution was produced while teaching the sociology of consumption at the University of Manchester.

**Meghan A. Burke** is associate professor of sociology at Illinois Wesleyan University and the author of two books about contemporary racial discourse. Her current projects are advancing new ways to study color-blind racism.

**Elizabeth Cherry** is Associate Professor of Sociology at Manhattanville College in Purchase, NY. Her areas of teaching and research include human-animal studies, environmental sociology, social movements, and culture.

**Jeremiah Chin** is a J.D. Candidate and Ph.D. student in Justice Studies at Arizona State University. His dissertation research focuses on race, law, and scientific evidence.

**Kaitlyn Clarke** is an assistant professor of criminal justice at Saint Anselm College. Her areas of expertise are criminological theory, criminal justice systems, and wrongful convictions.

**Ashley (“Woody”) Doane** is professor of sociology at the University of Hartford and past President of the Association for Humanist Sociology. He has written extensively on racism in

the United States and co-edited (with Eduardo Bonilla-Silva) *White Out: The Continuing Significance of Racism* (2003).

**G. William Domhoff** is Distinguished Professor Emeritus and Research Professor at the University of California, Santa Cruz. His many books include *Who Rules America?* (1967, 2014), *The Power Elite and the State* (1990), *Class and Power in the New Deal* (2011), and *The Myth of Liberal Ascendancy* (2013).

**Thomas E. Drabek** is a John Evans Professor and Professor Emeritus at the University of Denver. He has completed extensive research and publications on group and organizational response to disaster. His most recent book is *The Human Side of Disaster* (2013).

**Kimberley Ducey** is associate professor at the University of Winnipeg in Manitoba, Canada, and recipient of Quebec’s Forces AVENIR. She studies the entanglement of the oppression of humans and other animals. Her latest book is *Systemic Racism Theory: Making Liberty, Justice, and Democracy Real*.

**Joe Feagin** is Ella C. McFadden Professor and University Distinguished Professor at Texas A&M University and past president of the American Sociological Association. He has published sixty-seven books and hundreds of articles on

racism, sexism, and classism, including *Systemic Racism: A Theory of Oppression* (2006), *Liberation Sociology* (with Hernan Vera and Kimberley Ducey, 3rd edn., 2015), and *How Blacks Built America* (2015).

**Jan Marie Fritz** is a professor at the University of Cincinnati, distinguished visiting professor at the University of Johannesburg, and a special education mediator for the state of Kentucky. She is the editor of the award-winning *International Clinical Sociology* (2008).

**Gennifer Furst** is an associate professor at William Paterson University. She has published research about the experiences of incarcerated people who are multi-racial and prison-based animal programs.

**Angela J. Hattery** is professor and Director of the Women and Gender Studies Program at George Mason University. She has authored ten books and dozens of peer reviewed articles and book chapters on gender, violence, race, family, and prisons.

**Rosemary L. Hopcroft** is professor of sociology at the University of North Carolina at Charlotte. She has published widely in the areas of evolutionary sociology and comparative and historical sociology and is the author of *Evolution and Gender: Why it matters for contemporary life* (2016).

**Pamela M. Hunt** is associate professor of sociology at the University of West Georgia. She has published in *Social Psychology Quarterly* and *Deviant Behavior* and is the author of *Where the Music Takes You: The Social Psychology of Music Subcultures* (2014).

**Dustin Kidd** is associate professor of sociology at Temple University in Philadelphia. He is the author of *Legislating Creativity: The Intersections of Art and Politics* (2010) and *Pop Culture Freaks: Identity, Mass Media, and Society* (2014).

**Jennifer Kim** is an adjunct professor in the Department of Sociology and Anthropology at Linfield College. Her current work focuses on the burgeoning culture of resistance humor in South Africa.

**Seung-Kyung Kim** is Korea Foundation Professor of East Asian Languages and Cultures; Director of the Institute for Korean Studies; and an affiliate faculty member of Gender Studies at Indiana University-Bloomington.

**Kenneth C. Land** is research professor in the Social Science Research Institute, and the John

Franklin Crowell Professor of Sociology and Demography Emeritus at Duke University.

**Gertrud Lenzer** is professor of sociology and children's studies emerita at Brooklyn College and the Graduate Center of the City University of New York. She founded the interdisciplinary field of Children's Studies and the Sociology of Children Section of the American Sociological Association in 1991.

**Kathryn J. Lively** is professor of sociology at Dartmouth College. She has written extensively on issues relating to gender, emotion, and identity, including *Symbols, Selves, and Social Reality: A Symbolic Interactionist Approach to Social Psychology and Society* (2013).

**Kathleen S. Lowney** is a professor of sociology at Valdosta State University. Her research focuses on how the press constructs accused serial killer nurses, and good pedagogy for large classes. She is the Director of her university's Teaching and Learning Center.

**Elizabeth W. Markson** was a Resident Scholar at the Women's Studies Research Center, Brandeis University. She published extensively in the area of social gerontology, including *Older Women: Issues and Prospects* (1984), which received the Book of the Year Award from the *American Journal of Nursing*.

**Miwao Matsumoto** is professor and Chair of the Department of Sociology, the University of Tokyo. He has authored *Technology Gatekeepers for War and Peace* (2006) and papers published in *Social Studies of Science, Technology and Culture*.

**Carole McCann** is professor and Chair of Gender and Women's Studies and an affiliate faculty member of the Language, Literacy, and Culture Graduate Program at the University of Maryland, Baltimore County.

**Philip D. McCormack** is an assistant professor of Criminal Justice at Fitchburg State University. His areas of expertise are criminological theory, race/ethnicity, and quantitative methods.

**Kathleen McInnis-Dittrich** is associate professor and Chair of the Older Adults and Families Concentration and Teaching Support Services at the Boston College School of Social Work. Her research interests include the health and mental health concerns of older adults and theory and methods in social work education.

**Ruth McManus** is senior lecturer of sociology at the University of Canterbury, Christchurch,

New Zealand, past president of the Sociological Association of Aotearoa New Zealand (SAANZ), and inaugural executive member of the Society for Death Studies (New Zealand). She links the sociology of death and dying with social issues.

**Nicholas Monroe** is a Ph.D. student at Brandeis University. His research interests include race, gender, and class as well as cultural and historical sociology. His current project focuses on racial micro-aggressions and the ways in which different groups interpret them.

**Anne Murcott** is Honorary Professorial Research Associate, SOAS, London. She has researched the sociology of food for more than thirty years, in recognition of which she was awarded an honorary doctorate by the University of Uppsala in 2009.

**Laura Nichols** is associate professor of sociology at Santa Clara University in California. She works with undergraduates and conducts research with local communities using participatory action research techniques.

**Eileen O'Brien** is associate professor of sociology and Assistant Chair of Social Sciences at Saint Leo University's Virginia campus. She is author of *The Racial Middle* (2008) and many other race-related publications.

**Laurie O'Brien** is a social psychologist and associate professor in the Department of Psychology at Tulane University. Her research examines stigma and prejudice.

**Vincent O'Brien** is a musician and visual ethnographer based in Manchester, England. He is founder of Visible Voice, former professor of International Health and Visual Ethnography at the University of Cumbria, and has served on the Executive Board of the International Visual Sociology Association.

**David N. Pellow** is the Dehlsen Chair and Professor of Environmental Studies and Director of the Global Environmental Justice Project at the University of California, Santa Barbara.

**Harry Perlstadt** is Professor Emeritus of Sociology at Michigan State University. He conducted evaluation research for the Kellogg Foundation, the US Department of Health and Social Services (USDHSS) Health Resources and Services Administration, and the World Health Organization. He chaired the American Sociological Association section on Sociological Practice and Public Sociology.

**Carla A. Pfeffer** is assistant professor of sociology and women's and gender studies at the University of South Carolina. Her research engages with processes of identity and social marginalization and has focused on contemporary families, sex and gender, sexualities, and the body.

**Alain Quemin** is professor of sociology at Université Paris-8. His writings focus on sociology of culture and the arts, especially art markets and institutions, globalization, reputation, gender and the arts, visitors' studies, and the sociology of works of art. His works include *Les stars de l'art contemporain: Notoriété et consécration artistiques dans les arts visuels* (2013)

**Larry Ray** is professor of sociology at the University of Kent and a Fellow of the Academy of Social Sciences. His areas of research and publications include sociological theory, globalization, postcommunism, and collective and interpersonal violence.

**Shulamit Reinharz** is the Jacob Potofsky Professor of Sociology at Brandeis University. In 1997 she created the Hadassah-Brandeis Institute, and in 2001 she founded the Brandeis Women's Studies Research Center. Among twelve other books, she has published *Feminist Methods in Social Research* (1992).

**Mary Romero** is professor of justice studies and social inquiry at Arizona State University. She has written extensively on domestic work and immigration law enforcement, including *The Maid's Daughter: Living Inside and Outside of the American Dream* (2011) and *Maid in the U.S.A.* (2002).

**Vishwas Satgar** is associate professor in the Department of International Relations at Wits University and Chair of the Cooperative and Policy Alternative Center board. He edits the Democratic Marxism series and writes on systemic alternatives, Africa's political economy, South African politics, and Marxism.

**Teresa L. Scheid** is professor of sociology at the University of North Carolina at Charlotte, with joint appointments in Public Policy Psychology and Health Services Research. She has published extensively on mental health care services, mental health policy, and the impact of mental health reform.

**Rafael Schögler** is assistant professor at the Department of Translation Studies at the University of Graz, Austria. His research interests

comprise sociology of translation, translation in the social sciences and humanities, history of translation studies, and empirical social research.

**Larry J. Siegel** has taught at Northeastern University, University of Nebraska-Omaha, Saint Anselm College, and the University of Massachusetts-Lowell. He is the author of eighteen books on law, justice, and theory.

**Stefanie Simon** is a social psychologist who received her Ph.D. from Tulane University in 2015 and is now a Postdoctoral Fellow at Carleton College. Her research examines prejudice, diversity, and leadership.

**Earl Smith** is Professor Emeritus, Wake Forest University and past President of the North American Society for the Sociology of Sport (NASSS). He has authored ten books and dozens of peer reviewed articles and book chapters on gender, violence, race, family, and prison.

**Robert Stebbins** is Professor Emeritus, Department of Sociology, University of Calgary; Fellow of the Royal Society of Canada; and author of *Serious Leisure: A Perspective for Our Time* (2007, 2015).

**Peter J. Stein** is Professor Emeritus at William Paterson University where he served as Director of Graduate Studies and Co-Director of the Genocide and Holocaust Studies Center. He has published widely in the areas of family, the single life, and aging.

**Caroline Tipler** received her Ph.D. from the Department of Psychology at Tulane University in 2016. Her work examines the interrelations between dehumanization, language, and attitude change.

**Amanda Turner**, MA, is in the Ph.D. program in Sociology at Temple University. Her primary research interests are in the sociology of culture/popular culture, gender, qualitative and mixed methods.

**James Vela-McConnell** is professor of sociology at Augsburg College in Minneapolis. As a social psychologist, he has particular interest in issues of inequality, stigma, mental illness, social cohesion, violence, and social problems.

**Michelle Williams** is associate professor in sociology at Wits University and is the Chairperson of the Global Labour University Programme at Wits. Her books include *The Roots of Participatory Democracy: Democratic Communists in South Africa and Kerala* (2008) and she co-edited *Marxisms in the 21st Century: Crisis, Critique and Struggle* (2013) with Vishwas Satgar.

**Richard A. Zdan** is a member of the sociology faculty at Rider University. His current teaching and research interests are in the areas of political and urban sociology and civic engagement.

**Jens O. Zinn** is associate professor in sociology at the University of Melbourne. He is an Awardee of the Alexander von Humboldt Foundation. He is particularly interested in people's management of risk and uncertainty.
