

## INDEX OF PEOPLE AND TERMS

Individuals indexed by family name only are dancers whose first names are unknown. Composers and librettists are indexed here if their contributions are discussed, but not when they are mentioned only as the author of a particular work, for which see the Index of Works. Appendix 3 is online at [www.cambridge.org/9781107137899](http://www.cambridge.org/9781107137899)

A number in bold refers to a figure; a number in italics refers to a music example.

## INDEX OF WORKS

This index includes those works mentioned in this study that were performed on the stage of the Académie Royale de Musique; it is not, however, a complete list of the institution's repertoire. Selected works from other theaters (plays, court ballets, etc.) are listed here as relevant, but this index does not include all such works mentioned in the text.

A number in bold refers to a figure; a number in italics refers to a music example. Appendix 3 is online at [www.cambridge.org/9781107137899](http://www.cambridge.org/9781107137899)
