

# Contents

*List of Contributors* ix

*Preface: An Introduction to Practical Hospital Epidemiology* xiii

*Ebbing Lautenbach, Preeti N. Malani, Jennifer H. Han, Jonas Marschall,  
Emily K. Shuman, and Keith Woeltje*

## Section 1 – Getting Started

- 1 **Ethical Aspects of Infection Prevention** 1  
*Loreen A. Herwaldt and Lauris C. Kaldjian*
- 2 **The Infection Control Committee** 13  
*David A. Pegues*
- 3 **Product Evaluation** 18  
*David A. Pegues*
- 4 **The Business Case for Healthcare Epidemiology and Antimicrobial Stewardship** 22  
*Eli N. Perencevich*
- 5 **Quality Improvement in Healthcare Epidemiology** 30  
*Mohamad G. Fakh, Susan MacArthur, and Louise-Marie Dembry*

## Section 2 – Infection Prevention Basics

- 6 **Epidemiologic Methods in Infection Control** 41  
*Jeffrey S. Gerber*
- 7 **Isolation** 52  
*Daniel J. Morgan and Gonzalo M. L. Bearman*
- 8 **Disinfection and Sterilization in Healthcare Facilities** 58  
*William A. Rutala and David J. Weber*
- 9 **Improving Hand Hygiene in Healthcare Settings** 82  
*Katherine D. Ellingson and Janet P. Haas*
- 10 **Surveillance: An Overview** 92  
*Trish M. Perl and Kathleen A. Gase*
- 11 **Outbreak Investigations** 119  
*Alison Laufer Halpin, Alice Y. Guh, and Alexander J. Kallen*

## Section 3 – Major HAI Categories: Surveillance and Prevention

- 12 **Urinary Tract Infection** 133  
*Emily K. Shuman*
- 13 **Ventilator-Associated Events** 140  
*Michael Klompas*
- 14 **Basics of Surgical Site Infection: Surveillance and Prevention** 147  
*Deverick J. Anderson and Trish M. Perl*
- 15 **Surveillance and Prevention of Infections Associated with Vascular Catheters** 162  
*Walter Zingg and Jonas Marschall*

## Section 4 – Antimicrobial-Resistant Organisms

- 16 **Control of Gram-Positive Multidrug-Resistant Pathogens** 177  
*Trevor C. Van Schooneveld and Mark E. Rupp*
- 17 **Control of Gram-Negative Multidrug-Resistant Pathogens** 190  
*Pranita Tamma and Anthony D. Harris*
- 18 ***Clostridium Difficile* Infection** 201  
*Jennie Kwon and Erik R. Dubberke*
- 19 **Antimicrobial Stewardship** 213  
*Sharon Tsay and Keith Hamilton*

## Section 5 – Special Settings

- 20 **Infection Control in Long-Term Care Facilities** 229  
*Jennifer H. Han and Nimalie Stone*
