To Teachers and Parents

The Cambridge English: Young Learners (YLE) tests are a series of motivating, activity-based tests designed for primary children. The YLE tests are often a child's first experience of language testing, and the emphasis is on fun and ensuring a positive experience.

The YLE tests and corresponding preparation materials are recognized worldwide for serving as a gentle introduction to exams while benchmarking progress and demonstrating competence. The tests are designed to develop the skills needed to communicate in English and cover all four language skills (reading, writing, listening, and speaking).

All seven levels of Kid's Box American English follow the syllabus for the YLE tests with each cycle corresponding to one of the three tests – Starters, Movers, and Flyers. The YLE tests are aligned with the Common European Framework of Reference (CEFR), and Kid's Box American English provides the building blocks to enable students to reach CEFR level A1/UniF645.

Kid's Box American English provides thorough preparation for the Cambridge English: Young Learners tests through a fun and engaging learning experience.
