**Worksheet 1: We have lift-off!**

**Using the worksheet**
- This worksheet practises words related to the moon landing: countdown clock, lunar module, space capsule, spacesuit, launch pad, crater, control panel, screen, headset.
- Students work individually or in pairs to label the pictures using the words in the box.
- Students then use the pictures and clues to help them complete the crossword.

**Optional follow-up activity:** Demonstrate how to play Hit the word. Before starting the game, write words from this unit on the board in random places. Put students into two teams. Invite the teams to come up to the front of the class near the board. Give the first student in each team a roll of newspaper. Say one of the words on the board or give a definition. The first student to hit that word with their newspaper wins a point for their team, then passes the newspaper to the next person in their team. Continue until you have said all the words. The team with the most points at the end of the game wins.

**Worksheet 2: My life**

**Using the worksheet**
- This worksheet practises gerunds.
- Students work alone to write the gerund forms.
- Students then complete the notes with a gerund from Activity 1 before numbering the three things which are most important to them for their future life. They discuss their answers in small groups.

**Optional follow-up activity:** Students write about an imaginary journey into space. Students write about the food they ate, the clothes they wore, the people they travelled with and the places they visited. You can set this activity for homework.

**Worksheet 4: A short history of NASA**

**Using the worksheet**
- This worksheet develops the theme of space exploration.
- Introduce NASA and the timeline which shows events in its history. Check that students understand the words in the box. Explain that Collins is the surname of an astronaut.
- Students then use the pictures on the NASA timeline and the words in the box to complete the sentences about NASA’s history.
- Students work in pairs to research three more NASA facts to add to the timeline. They can look at NASA’s website for their information: http://www.nasa.gov/home/index.html
- They then present their facts to the class.

weightlifting  high jump  hurdles  boxing  gymnastics  fencing

Hi William,

Guess what? We went to the Olympics last week! It was great. I went with Mum and Tom. We saw the 1 high jump. A British man won it. He jumped higher than himself!

Dad didn’t come with us. He went to watch the 2 _________ . One of his friends was fighting. But he didn’t win.

We also saw the 110-metres 3 _________ . Have you ever watched it? They jump ten times in a 110-metre race. It’s not easy.

I wanted to see the 4 _________ . It’s so clever when they jump and turn in the air. But we couldn’t get tickets. I also wanted to watch the 5 _________ because the people who do that can pick up such heavy things! But we couldn’t get tickets to that, either.

The next time there’s an Olympics you should come with me. We could watch the 6 _________ . I know you like the masks that they wear.

Well, I have to go now. Write to me soon.

Love,

Daisy
