A. Skill Presentation

Letters make words. Most words use small letters.

- teacher, family, good, write

Some words use capital letters and small letters together.

- Professor Garcia, State University

A sentence always begins with a capital letter. A sentence also has one space between two words. Finally, a sentence usually ends with a period.

- my essay is about me. ✗ My essay is about me. ✓
- My essay is about me. ✗ My essay is about me. ✓
- My essay is about me ✗ My essay is about me. ✓

Sentences make paragraphs. It is important to write paragraphs correctly. A paragraph is about one idea.

In the paragraph below, the sentences My teacher liked it and Maybe I will get a good grade are about the same idea. The sentence I like shopping is not about the same idea as the other sentences. It shouldn’t be used.

I wrote my essay. My teacher liked it. I like shopping. Maybe I will get a good grade.

The first line of a paragraph is indented. To indent, type about five spaces before the first word. A paragraph is not a list of sentences. At the end of a sentence, type a space. Then begin the next sentence.

I wrote my essay. My teacher liked it. Maybe I will get a good grade. ✗ I wrote my essay. My teacher liked it. Maybe I will get a good grade. ✓

A statement is a sentence that **gives information.** A statement always ends with a **period.**

My next class is at noon.

If the sentence **asks for information,** it is a question. Many questions use a **question word.** Some question words are **who, what, where, when, why, how, do,** and **did.** A question ends with a **question mark.**

**When** is your next class?

There are other words that can begin questions, like **are, is, was,** and **were.** If you use one of these words at the beginning of a sentence, put a question mark at the end.

There is also punctuation used in the middle of sentences, called **commas.** Use a comma when you write dates. The comma goes between the day and the year.

School starts on September 1, 2013.

Use commas when you write lists that have three or more items. Put a comma after each item except for the last item. Remember to put a comma before the word **and.**
