He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it; who has always looked for the best in others and given the best he had; whose life was an inspiration; whose memory is a benediction.

PREFACE

Two years have passed since Jenkinson was taken from us. My only excuse for the delay in bringing out this small volume is less leisure and nervous energy than I could wish to command. Now that it is done I am very conscious of its insufficiency. But such as it is I offer it to his many friends, named and unnamed in its pages, by way of remembrance.
