Cambridge University Press & Assessment 978-1-108-58662-7 — English Grammar in Use Book with Answers and Interactive eBook Raymond Murphy Excerpt <u>More Information</u>

| Unit 2 | Present simple (I do) | | | | | | | |
|------------------|---|--|--|--|--|--|--|--|
| Α | Study this example situation: | | | | | | | |
| | Alex is a bus driver, but now he is in bed asleep. He is not driving a bus. (He is asleep.) | | | | | | | |
| | but He drives a bus. He is a bus driver. | | | | | | | |
| | drive(s), work(s), do(es) etc. is the present simple: | | | | | | | |
| | I/we/you/they drive/work/do etc. | | | | | | | |
| | he/she/it drives/works/does etc. | | | | | | | |
| C | We use the present simple to talk about things in general. We use it to say that something happens all the time or repeatedly, or that something is true in general: Nurses look after patients in hospitals. I usually go away at weekends. The earth goes round the sun. The cafe opens at 7.30 in the morning. We say: I work but he works you go but it goes they teach but my sister teaches I have but he has For spelling (-s or -es), see Appendix 6. We use do/does to make questions and negative sentences: do I/we/you/they he/she/it dor't does they here do you come from? I come from Canada. Where do you come from? I don't go away very often. What does this word mean? (not What means this word?) Rice doesn't grow in cold climates. | | | | | | | |
| | In the following examples, do is also the main verb (do you do / doesn't do etc.): 'What do you do?' 'I work in a shop.' He's always so lazy. He doesn't do anything to help. | | | | | | | |
| D | We use the present simple to say how often we do things: I get up at 8 o'clock every morning. How often do you go to the dentist? Julie doesn't drink tea very often. Robert usually goes away two or three times a year. | | | | | | | |
| E | I promise / I apologise etc. Sometimes we do things by saying something. For example, when you promise to do something, you can say 'I promise'; when you suggest something, you can say 'I suggest': I promise I won't be late. (<i>not</i> I'm promising) 'What do you suggest I do?' 'I suggest that you' In the same way we say: I apologise/I advise/I insist/I agree/I refuse etc. | | | | | | | |

| 4 | Present continuous and present simple 2 (I am doing and I do) | | | | | | | | | |
|---|--|--|--|--|--|--|--|--|--|--|
| A | We use continuous forms (I'm waiting, it's raining etc.) for actions and happenings that have started but not finished. Some verbs (for example, know and like) are not normally used in this way. We don't say 'I am knowing', 'they are liking'. We say 'I know ', 'they like '. | | | | | | | | | |
| | The following verbs are not normally used in the present continuous: | | | | | | | | | |
| | like want need prefer | | | | | | | | | |
| | know realise understand recognise | | | | | | | | | |
| | believe suppose remember mean | | | | | | | | | |
| | belong fit contain consist seem | | | | | | | | | |
| | I'm hungry. I want something to eat. (<i>not</i> I'm wanting) Do you understand what I mean? Anna doesn't seem very happy right now. | | | | | | | | | |
| В | think | | | | | | | | | |
| | When think means 'believe' or 'have an opinion', we do not use the continuous: I think Mary is Canadian, but I'm not sure. (<i>not</i> I'm thinking) What do you think of my idea? (= what is your opinion?) | | | | | | | | | |
| | When think means 'consider', the continuous is possible: I'm thinking about what happened. I often think about it. Nicky is thinking of giving up her job. (= she is considering it) | | | | | | | | | |
| С | see hear smell taste look feel | | | | | | | | | |
| | We normally use the present simple (not continuous) with see/hear/smell/taste: Do you see that man over there? (not are you seeing) The room smells. Let's open a window. This soup doesn't taste very good. | | | | | | | | | |
| | You can use the present simple or continuous to say how somebody looks or feels now: You look well today. or You're looking well today. How do you feel now? or How are you feeling now? but | | | | | | | | | |
| | I usually feel tired in the morning. (not I'm usually feeling) | | | | | | | | | |
| D | am/is/are being | | | | | | | | | |
| | You can say he's being, you're being etc. to say how somebody is behaving now: I can't understand why he's being so selfish. He isn't usually like that. (being selfish = behaving selfishly now) 'The path is icy. Don't slip.' 'Don't worry. I'm being very careful.' | | | | | | | | | |
| | Compare: He never thinks about other people. He's very selfish. (= he is selfish generally, not only now) I don't like to take risks. I'm a very careful person. | | | | | | | | | |
| | We use am/is/are being to say how a person is <i>behaving</i> (= doing something they can control) now. It is not usually possible in other situations: Sam is ill. (<i>not</i> is being ill) Are you tired? (<i>not</i> are you being tired) | | | | | | | | | |
| 8 | Present continuous and simple $1 \rightarrow \text{Unit 3}$ have $\rightarrow \text{Unit 17}$ Present tenses for the future $\rightarrow \text{Unit 19}$ | | | | | | | | | |

Unit

4.3 Are the underlined verbs OK? Correct them where necessary. 1 Nicky is thinking of giving up her job. OK I don't believe it. 2 It's not true. I'm not believing it. 3 I'm feeling hungry. Is there anything to eat? 4 I've never eaten that fruit. What is it tasting like? 5 I'm not sure what she does. I <u>think</u> she works in a shop. 6 Look over there. What are you seeing? 7 You're very quiet. What are you thinking about? 4.4 Complete the sentences. Use is/are being (continuous) or is/are (simple). 1 I can't understand why he's being so selfish. He isn't usually like that. 2 You'll like Sophie when you meet her. She 3 Sarah very nice to me at the moment. I wonder why.

- 4 They very happy. They've just got married.
- 5 You're normally very patient, so why so unreasonable about waiting ten more minutes?

More Information

| Unit 5 | Past simple (I did) | | | | | | | | | | |
|-----------|---|--|--|--|--|--|--|--|--|--|--|
| Α | Study this example: | | | | | | | | | | |
| | Wolfgang Amadeus Mozart was an Austrian musician and composer. He lived from 1756 to 1791. He started composing at the age of five and wrote more than 600 pieces of music. He was only 35 years old when he died. lived/started/wrote/was/died are all <i>past simple</i>. | | | | | | | | | | |
| В | Very often the past simple ends in -ed (regular verbs): Work in a travel agency now. Before that I worked in a department store. They invited us to their party, but we decided not to go. The police stopped me on my way home last night. Laura passed her exam because she studied very hard. For spelling (stopped, studied etc.), see Appendix 6. But many verbs are irregular. The past simple does not end in -ed. For example: write \rightarrow wrote Mozart wrote more than 600 pieces of music. see \rightarrow saw We saw Alice in town a few days ago. go \rightarrow went I went to the cinema three times last week. shut \rightarrow shut I was cold, so I shut the window. For a list of irregular verbs, see Appendix 1. | | | | | | | | | | |
| C | In questions and negative sentences we use did/didn't + infinitive (enjoy/see/go etc.): I enjoyed she saw they went | | | | | | | | | | |
| | I enjoyed the party a lot. Did you enjoy it? How many people did they invite to the wedding? I didn't buy anything because I didn't have any money. 'Did you go out?' 'No, I didn't.' Sometimes do is the main verb in the sentence (did you do?, I didn't do): What did you do at the weekend? (not What did you at the weekend?) I didn't do anything. (not I didn't anything) | | | | | | | | | | |
| D | The past of be (am/is/are) is was/were : | | | | | | | | | | |
| | I/he/she/it was/wasn't was I/he/she/it? | | | | | | | | | | |
| | we/you/they were/weren't were we/you/they? | | | | | | | | | | |
| | I was annoyed because they were late. Was the weather good when you were on holiday? They weren't able to come because they were so busy. I wasn't hungry, so I didn't eat anything. Did you go out last night or were you too tired? | | | | | | | | | | |
| 10 | Past simple and past continuous → Unit 6 Past simple and present perfect → Units 12–14 | | | | | | | | | | |

5.1 Read what Laura says about a typical working day:

I usually get up at 7 o'clock and have a big breakfast. I walk to work, which takes me about half an hour. I start work at 8.45. I never have lunch. I finish work at 5 o'clock. I'm always tired when I get home. I usually cook a meal in the evening. I don't usually go out. I go to bed at about 11 o'clock, and I always sleep well.

LAURA

Yesterday was a typical working day for Laura. Write what she did or didn't do yesterday.
