ENGLISH FOR SPANISH SPEAKERS

The ENGLISH FOR SPANISH SPEAKERS editions help Spanish-speaking learners overcome the difficulties they face when learning English. This is achieved by integrating our expert knowledge of Spanish speakers with information taken from the unique Cambridge English Corpus.

Our in-depth understanding of Spanish-speaking learners is the result of extensive research carried out by our locally-based editorial team and is clearly evident in our ENGLISH FOR SPANISH SPEAKERS editions. This guarantees that the topics and activity types are relevant to Spanish-speaking learners of English, with a focus on areas of language which are typically problematic. Extra support is also provided for teachers of Spanish speakers through detailed teaching notes and specifically-designed ideas for the classroom.

The Cambridge English Corpus is a multi-billion word collection of written and spoken English. It includes the Cambridge Learner Corpus, a unique bank of exam candidate papers. Our authors study the Corpus to see how English is really used, and to identify typical learner mistakes. We use this system to identify which words, grammar patterns or language structures cause the most problems for Spanish-speaking students learning English. As a result, ENGLISH FOR SPANISH SPEAKERS editions are able to confidently address the common mistakes that Spanish-speaking learners make, and give extra practice and tips to avoid these typical errors.

The authors would like to thank all those who have made contributions to the development, creation and production of Citizen Z.

Many thanks to teachers in various countries for piloting the course and for their valuable feedback. Thanks too to their students, for their enthusiasm and for putting up with manuscripts rather than the attractive pages our designers have created in the meantime.

The members of our digital team, Helen Kenyon, Amajreeta Purewal, Brendan Wightman, Susana Arroyo and José Luis Belderrain Garcia for their expertise and creative thought.

Thanks also to Esteban Garcia and Chris Williams for their invaluable production support.

We would like to thank the Cambridge English teams around the world for their continuous support.

We would like to thank very warmly our editorial team: Rebecca Raynes, Dena Daniel, Peter McFarlane, Delia Kidd and Kathryn Davies for all the energy and care they have put into this project.

Our special thanks go to Jo Burgess (Commissioning Editor), Katie La Storia and Claudia Fiocco (Publishers), Belinda Fenn (Publishing Manager) and James Dingle (Editorial Director); and our Iberia editorial team responsible for Citizen Z, Peter McFarlane, Emma Stubbs, Agnieszka Jurek, Gema Solis, Isabel Marrón Corbalán and Stephanie Collins.

We are indebted to the Cambridge University Press leadership: Frances Lowndes (Global Publishing Director Schools), for being involved so actively in the planning stages of the project despite her huge workload; John Tuttle and Neil Tomkins (Deputy Managing Directors); Michael Pelsue (Managing Director); and Peter Philips (Chief Executive) for the constructive dialogue over the years.

Last but not least, we would like to thank our partners Mares, Adriana and Claudia. Without their support this project would not have happened.

CITIZEN Z WORKBOOK B2

Online Workbook and Practice activation code

Scratch off and see your Online Workbook and Online Practice activation code. Use your code to access the Citizen Z videos, extra vocabulary and grammar practice, readings and digital projects!

Your activation code can only be used once. You can access the online resources for 14 months after you activate the code.

How to use your activation code:

• Go to www.blinklearning.com
• Click on the Create an account button in the homepage.
• Fill in the registration form inserting this Book code.

This registration only has to be completed once and can be done either via a web browser or in any of Blinklearning’s apps.

If you are a registered user:
• Log in at www.blinklearning.com with your username and password.
• Insert this Book code from your profile.

To join a class, ask your teacher for a class activation code.

Now you can use the Online Workbook and Practice.
