

CAMBRIDGE
UNIVERSITY PRESS

Cambridge University moved from Cambridge Journals Online to its new platform, Cambridge Core, in September 2016. This is a new platform combining all of the book and journal content from across Cambridge University Press: <https://www.cambridge.org/core>.

To view the most up to date version of the Instructions for Contributors (IFCs) for *International Theory* please visit <https://www.cambridge.org/core/journals/international-theory/information/instructions-contributors>.

If you have accessed this .pdf file through your favourites, please remove it and replace it with the link above. This allows you to have easy access to the most accurate and up to date version of the IFCs for *International Theory*.
