

Journal of Asian Studies – Instructions for Contributors

Procedure for Manuscript Submission

Manuscripts of 8,000 to 10,000 words and any accompanying figures should be submitted electronically through the Editorial Manager online submission system (<http://www.editorialmanager.com/jas/>). Low-resolution images and illustrations are acceptable for the review process; all images, tables and figures should include titles or captions. Please note that in the event of publication, the author is responsible for acquiring high-resolution images along with permission to publish them.

Inquiries may be directed to the Editor at jas@journalofasianstudies.org or by phone: (949) 824-6521. Due to the volume of submissions, we cannot evaluate proposed abstracts or titles, only full submissions.

Please send all books for review to the AAS Secretariat in Ann Arbor, Michigan. See [Contact Information: Books for Review](#) below.

Requirements for Manuscript Submission

When preparing a manuscript, please note that JAS is committed to publishing articles based on in-depth, original research. Authors should also take care to address the interests of our broad, multidisciplinary readership by raising larger questions of interest that reach beyond their precise research specialties. Authors are encouraged to consult recent issues of JAS for guidance on style and formatting.

Manuscripts submitted to JAS should not have been published elsewhere and should not be under review for publication elsewhere.

Article manuscripts, including notes and references, should range between 8,000 and 10,000 words, or approximately thirty-five pages in length, and must include a 150 word abstract at the beginning of the document.

Authors' names must be left off of the manuscript, as JAS engages in double-blind reviews.

Manuscripts must be double-spaced with 12-point type and 1 inch margins including extracts, notes, and references, and formatted for letter-size (8.5 x 11 in.) paper if possible.

Notes should be as few as possible and appear at the end of the text.

Use parenthetical in-text citation, and author-date formatting for references per section 15 of the *Chicago Manual of Style*, 16th edition (Chicago: University of Chicago Press, 2010).

Please use the following Romanization: Chinese: Pinyin; Japanese: Hepburn; Korean: McCune-Reischauer.

Articles in JAS represent neither the views of the Association for Asian Studies nor those of the JAS editors. The Editor is responsible for the final selection of content of JAS and reserves the right to reject any material deemed inappropriate for publication. Responsibility for opinions expressed and the accuracy of facts published in articles and reviews rests solely with the individual authors.
